CONSTITUTION AND BY-LAWS
FOR
NEW SOUTH RIVER BAPTIST ASSOCIATION

PREAMBLE

We, the members of Baptist Churches in the County of Cumberland and adjacent territories in Sampson and Hoke Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an association in conformity to the following plan:

ARTICLE I – NAME

The name of this body is the New South River Baptist Association.

ARTICLE II – PURPOSE

It shall be the purpose of the Association to advance Christ's world redemptive mission among men, to foster and nurture fellowship among the Baptist Churches within the bounds of the Association, and to promote the causes of the Baptist State Convention of North Carolina and of the Southern Baptist Convention. The means of accomplishing these ends shall be in strict conformity with the teachings of the New Testament.

ARTICLE III – MEMBERSHIP

Section 1. The association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation, and supports the objectives of this association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

Section 3. Churches desiring membership in the Association shall make this request, in writing, to the membership Committee. A church, having been a mission under sponsorship by one or more member churches and/or the Association, itself, if recommended by the Committee on Membership, and on an affirmative vote of the Association, may be received, immediately, into the full fellowship of the Association with all of its rights and privileges including that of holding office and voting.

A church of another association may request, in writing, membership in this association.

After receiving a letter of recommendation from the neighboring Association, upon the recommendation from the Committee on Membership and the affirmation vote of the Association, this church may be received immediately into the full fellowship of the Association, with all of its rights and privileges, including that of holding office and voting.

Any church requesting membership in the Association without having been sponsored by a member church (or churches), or the Association, or having a letter of recommendation from a neighboring Association, shall make their request for admission, in writing, to the Membership Committee. Upon recommendation from this Committee, and upon the affirmative vote of the Association, this church may be received into the full fellowship of the Association, with all its rights and privileges, including that of holding office and voting, after being under the watchcare of the Association for a period of two (2) years.

It will be required of any church requesting membership in the Association to meet with the Membership Committee of the Association in a called assembly of that church to have explained to its members the purposes, functions, beliefs, and practices of the Association, and to examine the practices, doctrines and location of the church prior to recommendations to the Association concerning membership, etc.

Section 4. COMMITTEE ON MEMBERSHIP REPORT

The Koinonia Baptist Church, Rev. Leon Humphrey, pastor, has made a request for membership into the association. This request has been being seriously considered in order to present an appropriate report to this Semi-Annual Session of the New South River Baptist Association.

The Koinonia Church was organized in January of this year, at which time their decision to request admission into the association was made. The pastor and a large number of their members were originally members of the Stoney Point Baptist Church.

Serious consideration of the request for admission into the association by your membership committee included a conference with the pastor and, later, a Sunday afternoon conference with members of the Koinonia Church in a called meeting to discuss their request.

At this time, your Membership Committee feels unprepared to make any recommendation concerning the request, and has voted unanimously to delay any official recommendation until the fall Semi-Annual Session. This will allow more time for the Koinonia Church to crystalize and finalize some organizational structure as well as program direction while your committee continues its consideration of their request for admission into the association.

Respectfully submitted,

Roger Aycock, Chairman
Committee on Membership

PROPOSED ADDITIONS TO THE REPORT OF THE ORDINATION EXAMINING COMMITTEE

Page 9, procedure 1. After "read the book," add: The book is intended for use by the candidate and the committee as a guideline to prepare for the examination and to structure the discussion. It is understood, as stated in The Baptist Faith and Message statement itself, that "such statements have never been regarded as complete, infallible statements of faith, nor as official creeds carrying mandatory authority." and that "the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments."

Page 9, procedure 2. After "The Baptist Faith and Message," insert: The candidate may have the option of presenting the committee with his or her own written statement of belief concerning the eleven areas outlined in the following paragraph.

Page 11, paragraph 4. After "the sharing time," add: It is understood, as stated in The Baptist Faith and Message statement itself, that "such statements have never been regarded as complete, infallible statements of faith, nor as official creeds carrying mandatory authority," and that "the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments."

If you choose, you may also provide the committee with your own written statement of belief concerning your Christian experience; your call to the ministry; the nature of God; the nature and work of the Holy Spirit; the Person and work of Jesus Christ; sin and the nature of man; grace and the hope of Christians; the Bible and the revelation of God; the organization, ordinances, and polity of the church; cooperation with other Baptist churches, the Cooperative Program, etc.; and Baptists, their distinctive character and points of belief.

RESOLUTION OF APPRECIATION

On May 18, 1982, the New South River Baptist Association had the privilege of meeting at the Highland Baptist Church.

The pastor, church staff, and members put forth a most diligent effort to make our meeting with them pleasant and confortable.

The Associational staff and members wish to express our thanks to you.

Respectfully submitted,

Rev. T.Q. Whitmire

BROTHERHOOD REPORT

I wish I could bring you an encouraging report today. This I cannot do --- however, the association leadership is optomistic as we look at the possibilities and potentialities within our resourses.

We have some 31,000 members of which only 8% are active at present in Baptist Men and Royal Ambassador activities. From all indications apathy seems to be our problem. Only 60 men attended our annual gathering at Highland Baptist Church this year. Three letters were mailed to each church: one to the pastor, one to the Deacon Chairman, and one to the Brotherhood Director, yet some churches reported that they did not get the word.

We are prepared to work by church groups. All that is needed is one church in each group of churches to offer its facilities and invite the men of the other churches within their group on a pre-arranged date. We feel that in such a meeting the purpose and plans of our Brotherhood program could be presented and men and churches will be encouraged to participate. I ask for your support and participation.

Mission projects have been accomplished in our local area and Fort Caswell recently. Plans are for another activity at Caswell this month. There is research in progress toward helping the church work in West Virginia soon.

We believe, teach, and preach the Fatherhood of God, Lordship of Jesus Christ, and the Brotherhood of Man -- Its time we put our words into action. The purpose of Brotherhood is to envolve men and boys in missions -- if a man can at least use a hammer, or a paint brush God can, has, and is using such talent to His glory. Shall we enjoy such an opportunity or again pass it by -- the challenge is ours.

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training program does not compete with other church programs, but when properly administered, enhances the total work of the church.

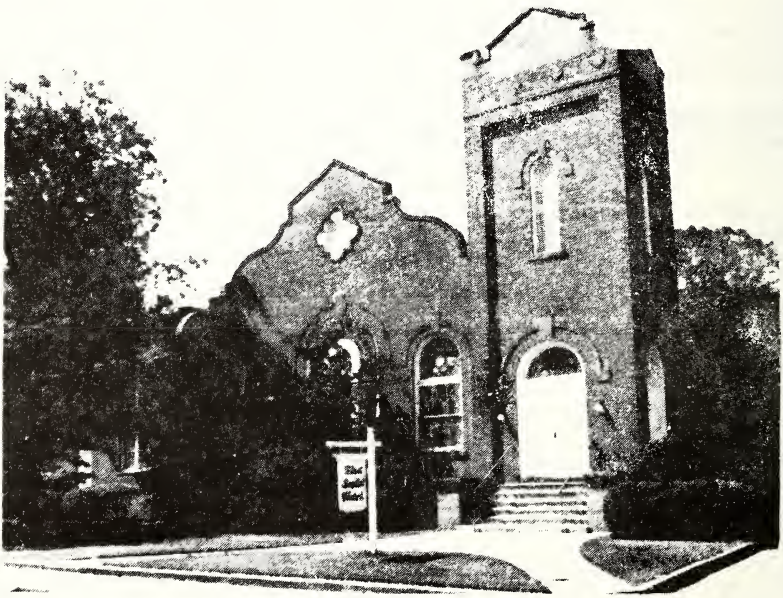
ROSEBORO BAPTIST CHURCH

The Roseboro Baptist Church was organized in 1892 by the Reverend David Bullard and the Reverend John Prevatt, along with certain members of the Salemburg and Mill Creek Churches. It is evident that our church is the child of the Salemburg and Mill Creek Churches and was the first church of any faith organized within the city limits of Roseboro.

During its infancy, the Roseboro Church was subsidized by the South River Association assuming part of the pastor's salary. At this time, Reverend J.W. Cobb preached and worked among the people at a salary of $150.00 per year. Mr. Cobb was called to preach one Saturday and one Sunday a month. The congregation grew considerably. In 1909, Mr. Cobb was followed by Reverend W.J. Jones of Salemburg. Mr. Jones then pastor of Salemburg assumed half-time pastorate of the church. Under Mr. Jone's leadership, a brick sanctuary was completed in 1916, and a much needed educational unit was begun in 1934. Mr. Jones continued as pastor until 1935, when upon his resignation, the church called his son-in-law, Reverend George Norman Ashley.

Rev. Ashley served the church from 1935 - 1975. Under his leadership and guidance, the church experienced great growth. Forty members were received into the church during the last quarter of 1958. In 1958, a new Educational Building was built to meet the needs of a growing church. The Kate Butler Nursery named in memory of Mary C. Butler was dedicated. On 16 October 1966 the debt free educational unit and Carillon, a memorial gift by Mary Peterson were dedicated. In 1970, the church purchased a lot on which to construct a pastorium. The pastorium was begun in 1973 and completed in 1974. The church helped purchase the Mobile Chapel for the Lake Rim Mission.

Rev. Ross Moyer is serving the church as pastor.



EVERGREEN BAPTIST CHURCH

Constituted 1883

The Evergreen Community being a rural, sparsely populated community, saw a need for a meeting house, a place to preach the Gospel. The closest churches, Beaver Dam and Concord were too far a distance to attend by walking or by cart.

Bill Johnson was called as pastor. The first sermon was "What God has Wrought". The first preachers came by buggy or walked and spent the weekend. The pay was about 25 cents, at the time the church began, plus food, laundry, a place to sleep, and a stable for his horse.

The first church building was called the Meeting House, built on land given by a slave owner. The meeting house was a log building, with a door at each end and a fireplace. The years Wade Bunce was pastor were a great building time. The present church building was built with no funds borrowed. A new Fellowship-Sunday School rooms building was built in 1975 (Cliff Canipe, pastor).

The first Harvest Day was held on a Thanksgiving Day. Very few folk brought things to sell. They gave a list to the auctioneer, hogs, chickens, and produce were picked up by the buyer. A hat taken from one man's head was the highest priced thing sold.

Every member has been a great asset to the church. Ever faithful and striving for a better place to worship and work for God's Kingdom. Rev. David Shirley, an ordained minister, is currently serving as pastor of Harmony. A young woman of the church has made music a joy by playing the musical instruments and singing. A young deacon held services from June - December, after the pastor resigned. One older man led singing and formed a children's choir. He always had them sing "Little Ones Like Me", only he added "Tho" to the beginning making "Tho Little Ones Like Me."

Rev. Cliff Canipe served as pastor (1960 - 1979). He "stayed with" the church and was faithful in his ministry. Rev. Dale Childress is serving as pastor.

Acknowledge - Mrs. Harold F. Shirley

WADE BAPTIST CHURCH

18 Charter Members 20 May, 1928

On Sunday afternoon 20 May 1928, a meeting was held at the Wade School for the purpose of organizing a Baptist Church. A small group of Baptists residing in and around Wade agreed that a Baptist Church would fill a great need here. Rev. G. Scott Turner, of Godwin was the first pastor.

The power of prayer, personal service, and sacrifice have been demonstrated throughout the history of Wade Baptist Church. The first Sunday in July 1928 a Sunday School was rorganized with forty-two members. The most outstanding revival was held in August 1928. Rev. L. B. Olive, a returned missionary from China preached the revival. Forty-two members united with the church.

The Women's Missionary Union was organized in the young church being active and a real source of strength to the church.

The church has been involved in several building projects. The old Wade School building was purchased from the county and used for a meeting house. The year of 1962 was a great year of growth for the church. Property was purchased across the street for the pastorium. An Educational Building was built behind the old church. The old church was torn down and removed from the lot. In 1973 (Lawrence Tew, Pastor), a remodeling program was begun. A central heating and air conditioning unit and baptistry were added. The first baptizing ever to be held in Wade Baptist Church was held in September with ten candidates. The earnest desire and hopes of the members of the church was to have a new sanctuary in the not too distant future. In 1975, the church saw a dream come true, the new debt-free sanctuary was built at a cost of $30,000. As the building was being erected, there were non-church members who contributed to the cause, financially and physically. Many sacrifices were made in tithes and offerings by our people, making it possible to have a debt-free church.

God has bountifully blessed Wade. During all the years of the life of the church, we have tried to show forth the love of God by service to others. We hope as the years go by, to grow in the grace and knowledge of God.

Acknowledge Mrs. Sarah Freeman - Church Clerk

ORDINATION EXAMINING COMMITTEE

NEW SOUTH RIVER BAPTIST ASSOCIATION

Statement of Policy and Procedures
(As Proposed)

The churches of the New South River Baptist Association have the privilege of refering candidates for ordination to the Ordination Examining Committee for examination (see Article V, Section B, Subsection (4) (b) of the New South River Baptist Association). Ordination into the Baptist ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers. It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Examining Committee and that the ordaining church retains sole authority in determining whether a candidate is to be ordained. The committee's function is to make a recommendation to the ordaining church. The other purpose of the committee, as the committee views its own work, is to offer brotherly counsel to those who are just beginning their ministry.

The committee makes the following observations for consideration by the churches:

(1) The By-Laws specifically limit the function of the Committee to examination of candidates called to a specific work. The committee cannot examine any who have not received such a call.

(2) If the recommendation made by the committee is to be thoughtfully and prayerfully considered by the church, the date of the ordination service should not be announced until the church receives the recommendation of the committee. In any case, the committee will not allow its recommendation to be influenced by any such action by the church.

(3) The committee does not have the opportunity to investigate the character and reputation of candidates. It will presume that a church in referring a candidate for examination will assume the responsibility for determining that the candidate leads a life worthy of the ministry.

The committee will conduct its examination of the candidate in the following manner upon receiving a written request from the ordaining church.

1. A letter will be sent to the candidate advising him or her of the time and place of the examination. A copy of this letter will be sent to the pastor of the ordaining church. A copy of The Baptist Faith and Message will be sent to the candidate with the request that the candidate read the book.

2. The candidate should provide the Committee with a written attestation that he or she had read The Baptist Faith and Message. Also, the candidate will be asked to provide a brief biography of him or herself. _____, Chairman

ORDINATION EXAMINING COMMITTEE

NEW SOUTH RIVER BAPTIST ASSOCIATION

Statement of Policy and Procedures
(As adopted in Spring Session 1982)

The churches of the New South River Baptist Association have the privilege of refering candidates for ordination to the Ordination Examining Committee for examination (see Article V, Section B, Subsection (4) (b) of the New South River Baptist Association). Ordination into the Baptist ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers. It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Examining Committee and that the ordaining church retains sole authority in determining whether a candidate is to be ordained. The committee's function is to make a recommendation to the ordaining church. The other purpose of the committee, as the committee views its own work, is to offer brotherly counsel to those who are just beginning their ministry.

The committee makes the following observations for consideration by the churches:

(1) The By-Laws specifically limit the function of the Committee to examination of candidates called to a specific work. The committee cannot examine any who have not received such a call.

(2) If the recommendation made by the committee is to be thoughtfully and prayerfully considered by the church, the date of the ordination service should not be announced until the church receives the recommendation of the committee. In any case, the committee will not allow its recommendation to be influenced by any such action by the church.

(3) The committee does not have the opportunity to investigate the character and reputation of candidates. It will presume that a church in referring a candidate for examination will assume the responsibility for determining that the candidate leads a life worthy of the ministry.

The committee will conduct its examination of the candidate in the following manner upon receiving a written request from the ordaining church.

1. A letter will be sent to the candidate advising him or her of the time and place of the examination. A copy of this letter will be sent to the pastor of the ordaining church. A copy of The Baptist Faith and Message will be sent to the candidate with the request that the candidate read the book. The book is intended for use by the candidate and the committee as a guideline to prepare for the examination and to structure the discussion. It is understood, as stated in The Baptist Faith and Message statement itself, that "such statements have never been regarded as complete, infallible statements of faith, nor as official creeds carrying mandatory authority," and that "the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments."

2. The candidate should provide the committee with a written attestation that he or she had read The Baptist Faith and Message. The candidate may have the option of presenting the committee with his or her own written statement of beliefs concerning the eleven areas outlined in the following paragraph. Also, the candidate will be asked to provide a brief biography of him or herself. This information should be provided to allow committee members sufficient time to review the material prior to the date of the examination.

3. Upon receipt of the requested information the Committee will examine the candidate. The exam amination will cover the following matters:

   (1) Concerning one's Christian experience.
   (2) Concerning one's call to the ministry
   (3) The nature of God

Dear Charles,

All of us at THE HOUSE, as B.S.U. is known at PSU, want to thank New South River Baptist Association for their continued support of campus ministry in North Carolina.

You have helped our students as they minister in Christ's name - bible studies, outreach teams in area churches, music ministry, meal programs, mission service, participation in state conferences, and much more.

Three of our students will be serving as 10 week summer missionaries. Two P.S.U. graduates are now being appointed as 2 year US-2 missionaries. Only 35 US-2 appointments were available to graduates throughout the Southern Baptist Convention. One student will be working on the staff at Ridgecrest. Many of our students will be active in their local churches this summer.

We prayerfully thank you for helping to make Christ's presence known on campus in the lives of our students.

Sincerely yours,

Winston Hardman
Campus Minister

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the year ended December 31, 1981.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparisons

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the Year Ending December 31, 1981. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such tests of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding period.

Respectfully submitted,

Julian C. Odom

REPORT OF COMMITTEE ON COMMITTEES

In a special called meeting:

The motion was made and approved by your Committee on Committees that the list of nominees for the Ordination Committee be presented back to the Association in Annual Session as presented in your Book of Advance Reports. It is the understanding of your Committee on Committees that the names presented are simply nominations of your Committee on Committee and further, that it is the privilege of anyone who feels they would prefer someone else on a particular committee, that a substitute nomination can be made from the floor for the consideration of the Association in Session.

Respectfully submitted,

Thomas McLamb, Chairman
Committee on Committees

DIRECTOR OF MISSIONS REPORT

In order for a report like this to present a true picture of our work, many items need to be included. However, it is impossible to cover "all the bases."

One major item of "interruption" on a personal basis took place this year. A ruptured disc gave me trouble for 6 - 7 weeks before surgery was performed. Another period of time for recovery "re-geared" my schedule. This gave plenty of time for reading and re-examination of personal and associational priorities. The assistance and personal support of the staff and associational leadership was so valuable during this particular time. They doubled up with extra work loads and responsibilities making sure the essentials were taken care of.

It was during this time major changes in office work and priorities were made. With the postal rates escalating week by week the decision was made to reduce our mailouts, especially the newsletter, to monthly instead of weekly issues with an enlarged format. Our offset press was sold, the full-time printing position was eliminated and a Cannon Copier was purchased, enabling any of us in the office to do "print" work except for major volume work -- which we have been contracting.

In recent months a strategy committee has been appointed. Several meetings have been held in an effort to more effectively determine the priorities in the work of the association.

Major consideration and time has been given in recent weeks to the possibility of our office relocation, with special focus on the availability of the old Health Department building. A Special Committee has been at work with the finalization of detailed plans for possible consideration by the Annual Session.

During the summer we had the opportunity of having the APOSTOLOI Team with us. During the ten weeks they were with us they were in about 28 of our churches. They were fantastic and did such a wonderful job. Their influence has led us into requesting a youth evangelistic team for this next summer.

Included in the Proposed Budget for 1983 is the position of Director of Church Development. How desperately this person is needed in work in the church programs planning and developing. Training and outreach will receive major attention, and with these emphases being handled through the Church Development division, a greater focus can be given to evangelism, deaconship development and training, stewardship focus and marriage enrichment concerns.

The financial reports have indicated each month that we have been operating in the black all this year -- far better than usual. We're grateful for church continued support in prayer and through the finances.

Be much in prayer for the associational staff as we plan and look toward the coming year. We have the very finest people on our staff. We should all be very appreciative of this and give thanks to Him for "putting us together" in His will.

Sincerely,

Charles A. Stevens

MUSIC REPORT

The Church Music Council of the New South River Baptist Association has been busy planning and carrying out activities to aid the music ministries of the churches in this association.

First of all, a workshop was held for the volunteer and part-time music directors and their accompanist on January 18, 1982. This was held in 3 different churches with a total of 46 participating.

An adult choir praise-sing was held on May 1 - 2, 1982 with 85 participating. Charles Storey of the Church Music Department of the State Convention directed the choir for the rehearsal and performance.

Our association also provided the youth choir for the State Youth Evangelism Conference held in Fayetteville with 61 youth participating.

We are planning to provide a choir for the Tuesday morning session of the N.C. Baptist State Convention in November. We hope to have at least 75 adults to participate in this event.

We hope to provide even more trainings and fellowship events next year as we seek to minister through music.

Respectfully submitted,

Beth Hunnicutt, Chairman
Church Music Council

EVANGELISM REPORT

One of the major focus points on Evangelism during this calendar year was the Statewide emphasis on Evangelism -- Here's Hope.

Many of our churches did participate, as both the General Convention and our N.C. Baptist State Convention sought to combine prayer, witnessing, publicity and preaching to reach more people for Christ.

Tentative plans are being made for a S.S. Director/Pastor Enlargement Campaign Training Session, February 28 - March 1. This among other Evangelistic emphases will give us a greater impact on training and equipping the members of our churches in the skill and the art of personal soul-winning.

Plans are being formulated to have a task force on Evangelism with representatives from every church serving, with a willingness to study and practice the all important business of personal, life-style Evangelism. This will strengthen the S.S. arm of outreach, Bible teaching and Evengelism.

Our associational equipment now includes the TELL Program of Evangelism with the video tapes for teaching in the local church or local groups.

Anothe major event in Evangelism this year was the State Youth Evangelism Conference held in Fayetteville, There were 425 decisions, many of them from our own association. The total number through our churches last year were 914. This year the total is

Our prayer is that next year there will be a larger number of baptisms with fewer churches having no baptisms. While these are only statistics, they do represent individuals for whom He died. Pray for your committee during this year, that we may glorify Him.

Sincerely,

Cecil Baughman, Chairman

CENTRAL BAPTIST CHURCH

64 Charter Members **Organized 12 October 1952**

Central Baptist Church came into being at the close of a cottage prayer meeting in the home of Mr. and Mrs. Cecil Harkey, Sr., on the evening of 3 October 1952. By Sunday morning, 5 October an abandoned Circus tent, chairs, benches, and a piano had been purchased with contributions and on faith. The tent was erected on the Boulevard next to Mr. Pope Ferrell's service station.

The church met at this location for the next few weeks with the formal organizational meeting being conducted on 12 October 1952. Rev. Tom Rich acted as moderator. The constitution and covenant were adopted and the church was named Central Baptist by a unanimous vote. Rev. J.M. Cranford was the first called pastor. Rev. Cranford was also serving as pastor at Grace Baptist. The two churches worked out a plan by which the pastor could serve both churches.

After a few weeks, the tent was moved to Spring Street. In January 1953, the deed to the property where the tent and church now stands was recorded. The property was donated as a gift from the John Sandrock family.

During Central's first year, exactly one hundred members had joined the church (64 charter members). Three of our brethren had been licensed to preach. God had provided in a wonderful way. On the first Sunday of October 1953, the first service was conducted in the new sanctuary and the first Homecoming was observed. The church was in debt for some of the materials used in building, but the labor had been donated except for $400.00 paid to brick masons. By the end of the first year, 18 people had been baptized, 12 had been added by letter and 2 by restoration.

The 20th anniversary of Central was celebrated in October 1972. Guests were former members and friends from all over the state. A weekend revival conducted by former members, ordained to the Gospel Ministry at Central, commemorated the occasion.

Many activities are visible in the church. A mission ministry to the surrounding trailer parks was begun in the Spring of 1971 and is still a part of the church program. The Spanish Mission moved to Central in January 1981. Since the move, there has been an increase among the Hispanics.

Rev. Randy Gruber, ordained at Central, is the pastor.

LAFAYETTE BAPTIST CHURCH

27 Charter Members — Organized 6 February 1955

A group of Christians in the vicinity of LaFayette Village saw a need to begin a Baptist Church. Part of this group were from Mount Gilead. The group began meeting on Monday nights in November 1954 for prayer and discussion. They prayed that God would guide them according to His Will about beginning a Baptist Church in this area.

Rev. Richard (Dick) Bene, the first called pastor, emphasized the importance of organization. A promotional committee was elected, a lot was purchased on Hope Mills Road, literature was ordered and officers were nominated. Sgt.Kornegy offered the group a vacant store in LaFayette Village. A Pulpit stand was constructed and 150 chairs were purchased in preparation for the first service. The first service held in the store building was a Prayer Meeting on Wednesday 2 February 1955. The First Sunday School and Worship Service were held Sunday 6 February 1955. Rev. Tom Walters, Associational Missionary, met with the group that Sunday afternoon and organized the church with 27 charter members joining.

The first sanctuary was built in 1956. The Home Mission Board helped financially with a loan to purchase building materials for the sanctuary. To a great extent, the church people labored with their own hands to build the sanctuary. An educational building was added in 1961, fellowship hall, kitchen, and classrooms in 1965. The present sanctuary was completed and dedicated 5 September 1971.

LaFayette has led the association several years in ratio of baptisms to church membership. The first two weeks in July of 1976, 75 members were received (Hinton, pastor). The membership of the church in 1981 was 1432 members, 895 resident members and 537 non-resident members.

The church conducts mission work in one local rest home and at Cape Fear Valley Hospital. The Vietnamese Ministry is sponsored by the church.

LaFayette has a monthly newsletter of 20 pages plus front and back cover. It is newsy, informative, and well-written and illustrated and unusually good art work. Every area of church work is covered.

Dr. Frank S. Page is pastor.

Acknowledge - Mrs. Cleo Cain, Church Historian, is one of the charter members.

WHITE OAK BAPTIST CHURCH

In January of 1847, when the Southern Baptist Convention was two years old, 23 white and 4 slave members of the Salemburg Church formed the White Oak Baptist Church. Their first house of worship, which was located about four miles east of Salemburg, or about six miles west of Clinton, was a combination school and church house. The young church struggled through the years of the Civil War and reconstruction. To add to their difficulty the building burned shortly after the war. In time a new building was erected not far from the old site and is still in use today.

Through the years there have been many improvements made in additions, remodeling and landscaping done, but the old church is inside the church as it is today. The sanctuary is the entire old church made into a modern and beautiful place of worship. This has been done through the cooperation of the church as a whole through the years.

To the people who have made their home in this large rural community, White Oak Church has rendered a very effective service. She is the mother church of Harmony Baptist Church which was organized in 1921. Three ministers have gone out from her membership. They are as follows: The late Reverend Purdie Underwood, who was a missionary to the Indians in Robeson County; Reverend John Duncan who made his home in Murfreesboro, N.C. and retired from the Pastoral Ministry there; and Dewey V. Pate, who has pastored several churches in our association and some in Virginia, and at this time is a chaplain in the US Navy. He is planning to retire from this work soon and make his home in Bedford, Virginia.

The church property is on a plot of land of four acres, more or less, and presently valued at approximately $75,000.00.

In 1937 the church went into a building program. There was an addition of five Sunday School rooms and a vestibule added to the front of the original building. There were two rooms and vestibule on the first floor and three rooms upstairs. This was done through the faithful cooperation and work of the members of the church.

Through the years the church had grown and it was decided that we needed more space for educational purposes. In 1950 our educational building was added. This was a two story building of brick construction added to the back of the original church and was to be used as a fellowship hall and Sunday School rooms. This was done by members donating their time and labor, under the leadership of a construction firm, to get the work done.

In the fall of 1951 the church purchased and installed a heating system to heat the entire church and educational building.

Rev. W.J. Jones has the longest tenure of service as pastor from 1915 - 1944. Rev. Jones was principal at Salemburg Academy, also he was pastor at Salemburg (1908 - 1934), and Roseboro (1909 - 1935). Rev. M.L. Haywood began as an interim pastor of White Oak in 1969, and has served as pastor since then.

--Acknowledge - Mrs. Irena Williamson - She has been most cooperative and helpful in compiling the church history.

BROTHERHOOD REPORT

We have had a good year. Starting with the Leadership Training Workshops at Stedman Baptist Church where all were encouraged by the number present and interest shown. Our Annual Baptist Men's Rally at Highland Baptist, Hope Mills was a huge success. Out of this meeting came our first State Mission activity involving Baptist Men. Twenty two men from eight churches spent two nights and one day at Caswell replacing a building roof and painting two buildings. While the work was manual, the spirit of God was present and in evidence. Many were astonished at what a few dedicated Baptist Men using hammer, saw and brush could do for the Lord.

Across the association our men are becoming more aware of mission possibilities and are engaging in projects within the boundries of the association. Repair was accomplished on the Samaritan Goodwill Center for men building roof, all types of home repair has been accomplished for the elderly and shut-ins. More and more of our Baptist Men's organizations are becoming involved in activities such as these.

Royal Ambassadors activities have included participation in association through State Track Meets. Conclaves for both Crusader and Pioneer age groups have been well attended and the "Car" competition has become a replica of the Rockingham Speedway.

Our Baptist Men and Royal Ambassador activities are growing. More and more of our churches have shown a renewed interest in Brotherhood work. We have provided leadership training in Baptist Men and Royal Ambassador activities across the geographical boundries of our association, in our region, and in other associations. Things are looking up. To the concerned leadership of our churches and unto God we are grateful.

Respectfully submitted,

Bill Blalock

STEWARDSHIP COMMITTEE REPORT

We have good news and bad news for you.

First, the good news -- Our association has had a good year financially as the churches have given more generously this year, 1982, than in the past. In fact for the first time that I can remember, we have had a bank balance on hand throughout the year. This is in reference to the basic dollar associational income which has kept ahead of the expenditures.

Also, the attendance at our Stewardship Banquet last February was 88, which was nearly triple the response of previous years. I believe that this indicates a general increase in the interest of our churches in the subject of financial responsibility. Dr. Cecil Ray's inspiring presentation of his excellent book "Living the Responsible Life" was undoubetdly also a strong positive influence in our associational life and practice. Our church total receipts are also up considerably.

Now the bad news -- We as Baptists' believe in tithing. Based on the per capita income of Cumberland and Sampson Counties, our people give approximately 2.7% of their income to their churches rather than 10%.

Let us all make a real effort to see the percentage giving of our people increased and the percentage giving of our churches to the associational and the Cooperative Program raised to the amount it should be as truly Missionary Baptist Churches.

We challenge you to let Bold Giving be a realistic factor in our Bold Missions Thrust.

Respectfully submitted,

Ross Moyer

WOMAN'S MISSIONARY UNION REPORT

The growth in W.M.U. continued this year as churches added new organizations and new members in all age levels. Two churches re-organized after a period of inactivity.

There were three leadership conferences held last fall. One hundred eighty-nine attended with forty-three churches represented. During the year associational officers went into churches to assist with new work or new leadership.

Again, we participated in the State Mission Action project for the Women's Correctional Center in Raleigh. Churches provided tubes of toothpaste and toothbrushes and contributed $500 for the purchase of drapery material.

Baptist Women in our association made and donated flags of thirty-nine countries where we have missionaries serving. These flags were used at our annual W.M.U. meeting in the spring and carried by the G.A.'s.

The State WMU Annual meeting was held in Greensboro in March. New South River W.M.U. received distinguished recognition for 1981.

The G.A. Day Camp was held at Rockfish Camp in May with 300 girls attending and seventy five leaders.

Six associational W.M.U. Council Members attended early training session in Elizabethtown in May and seven attended a session in July in Whiteville.

The 86th Annual Meeting was held at Eureka Baptist Chruch in April. The theme was "Challenged to Go, Challenged to Serve", and the message was brought by Nancy Wilkie, who is serving with her husband as North Carolina Coordinators in West Virginia. Dr. and Mrs. Page, LaFayette Church presented special music and the call to prayer was given by Ella Langly. Shiver West, Cedar Creek, gave the theme interpretation and Sharon Stewart gave the prayer of dedication and commitment. Dinner was provided by the Baptist Women and Brotherhood of Eureka and approximately 450 were served. A double service was held in order to accomodate the number attending. Cedar Falls Church earned distinguished recognition and Calvary, Faymont, Mt. Elam and Salemburg earned Merit.

The following officers were elected to serve on the Associational Council for 1982-83:

WMU Director	Mrs. Rebecca Nance	Asst. Baptist Women Dir.	Mrs. H.T. Elmore
Assoc. WMU Dir.	Mrs. Sam Bass		
Secretary	Mrs. Lathan Freeman	BYW Director	
Treasurer	Mrs. Robert Spain	Acteen Director	Mrs. Robert Owen
Bapt. Women Dir.	Mrs. L.A. Warren	Girls in Action	Mrs. Gregory Gomez
Mission Friends Director	Mrs. Ken Marshburn	Mission Action Dir.	Mrs. Tommy West

Dale Jackson, Mt. Elam, was added to the council as Baptist Young Women Director.

Mrs. Lathan Freeman, Secretary
Associational WMU

RECREATION COMMITTEE REPORT

The Recreation Committee for 1982 consisted of Barney Holmes, Chairman; Dottie Honeycutt, Secretary, and Directors: Jimmy Hobbs, Men's (North Division); Bob Pew, Men's (South Division); John Schultz, Women's; Joe Denning, Girls; Jack Pate, Boys and Harold Grady, Children. This year a new division was formed: Pee Wees (Ages 5 - 8) in which at least 75 children participated and Larry Atwell was the director.

This committee is responsible for promoting, giving guidance to, and presenting rules and regulations for church and/or associational activities.

"Sports can be an arm of evangelism reaching people for Christ." This year we had approximately 850 children and adults playing the game of SOFTBALL. That doesn't include the many parents, family and friends that came out to just watch a game. Many spectators will go see a ballgame when they will not go to church. This is the reason our first concern should be to serve the Lord in all we do. This is a Home Mission and if you don't know what's going on in your recreation program, I greatly recommend you get involved. You'll get a blessing.

Our winners for the 1982 season season were:

Men's (North Division)	Regular Season	New Hope
Men's (South Division)	Regular Season	Carroll Memorial
	Tournament	Cedar Falls
Women's	Regular Season	Cedar Falls
	Tournament	Cedar Falls
Boys	Regular Season	Cedar Falls
	Tournament	Cedar Falls
Girls	Regular Season	Cedar Falls
	Tournament	Cedar Falls
Children	Regular Season	Eureka Springs
	Tournament	Temple
Pee Wee	Regular Season	New Hope
	Tournament	New Hope

For the first time this year, we had a Men's Fall League plus a Double Elimination Tournament which was played at the new County "87" Ball Park. This year it was a great success with 8 churches participating and the fellowship we received during the fall tournament was tremendous. Next year we plan to make the fall league bigger for it will be a part of the regular softball season. The winner for the fall regular season was New Hope Church. Village Drive won the Tournament.

We, the Recreation Committee, would like to give special thanks to Charles Stevens and all his staff for their fine help and cooperation which we received throughout the year. They are the ones who furnish us with information, get our letters to the proper people and pay our bills. Thanks a lot.

Dottie Honeycutt,
Secretary

COOPERATIVE MINISTRIES REPORT

The purpose of the Cooperative Ministries Committee is to engage in fraternal relationships with the Union and Burnt Swamp Baptist Associations, in order to celebrate our brotherhood and sisterhood in Christ, to promote cooperation and understanding between our races, and to acknowledge our common participation in the mission of our Lord. This year the committee's efforts, as in the past, have concentrated on relationships with the Union Association. Specifically, we have been involved in three cooperative events.

On Sunday, February 6, the men of the Union and New South River Associations joined in a Baptist World Alliance Fellowship Breakfast. The breakfast was held at Eutaw Cafeteria, and featured group singing, special music by John McQueen of First Church, Moore Street and Tim Moose of Walstone Memorial Church, and brief remarks by the moderators of our two Associations. Henry Campbell, President of the Union Association's Laymen's League, presided, and Bobby Clemenger, Baptist Men President at Mount Pisgah Church, led in prayer. Milton Mazarick of Snyder Memorial Church brought the message, reminding us of how far we still have to go in the area of racial brotherhood. About sixty people attended, twenty from the New South River Association.

During the two-week period of Here's Hope revivals in March, the Cooperative Ministries Committee joined with our Evangelism Committee, the Union Association, and the Cedar Creek Association to sponsor prayer breakfasts for the ministers and guest evangelists of our associations. Breakfasts were held at Judson, Massey Hill, and Temple Churches in the New South River Association and at Baptist Union, Lewis Chapel and First Church, Moore Street in the Union Association. Messages were brought at each breakfast by local pastors and visiting evangelists. Average attendance was about twenty-five. Those who attended felt a real spirit of hope and common mission coming from the meetings.

Finally, the Cooperative Ministries Committee and the Laymen's League of the Union Association jointly sponsored the annual Laymen's Semi-Revival June 6-12. Services were held at First Church, Moore Street, and LaFayette Church. Participating from the New South River Association were Neil Yarborough, Baptist Men President; Bill Blalock, Brotherhood Director; laymen Butch Harris of Mount Pisgah, Jim Cooper of Temple, Earl McLean of Massey Hill, and Milton Mazarick of Snyder Memorial; pastors Cecil Baughman of Massey Hill, Larry Isaacs of Faymont, and Rob Pierce of Center; and the choirs of Massey Hill, Faymont, and Center Baptist Churches. Edgar Lineberger assisted with the music at LaFayette Church. There was an improvement in attendance over previous years, particularly from our Association. It was especially gratifying to have such good participation from our laymen and choirs.

We are grateful for those of our churches which supported these events, and we feel that we stand on solid ground in our relationships with the Union Association. In the coming year we hope to explore the possibility of dialogue with the Burnt Swamp Association, as well as to sponsor a current issues seminar with the Union Association. We would be thankful for your prayers and your continued support.

Respectfully submitted,

Ed Beddingfield, Chairman
Cooperative Ministries Committee

CRISIS MINISTRY REPORT

In a geographical area that covers one and one-half counties, with a population of approximately 300,000, it is reasonable to expect a large number of requests for emergency aid. Crisis ministry is not confined to natural disasters such as floods, earthquakes, tornadoes, and such. Crises are experienced when families are burned out, a sickness occurs that demands daily trips to out-of-town hospitals for treatment, extended periods of being out of work, cut backs in social security, aid for dependent children and many others.

It is not our goal to help all who request assistance nor do we expect to satisfy the total need of those we do assist. However, we do try to provide some assistance when the request is within our range of resources.

From October 1, 1981 through September 30, 1982 we assisted 168 families with food, clothing, furniture and financial aid for utilities, rent, travel and heating fuel. The total dollar value of assistance during this period was $4,400.00.

A network of sharing information exists between our office, Urban Ministry and Salvation Army. We try to inform churches when persons are dishonestly requesting help. We also ask those who have the responsibility of giving aid through the church to notify us when that aid is given. This helps us in our effort to curtail the abuse.

Food and clothing are dispensed through our pantries and closets at the Samaritan Goodwill Center on Cumberland Road and at Shaw Heights. Home furnishings are distributed through our Thrift Store on Cumberland road. Decisions regarding financial aid are made by Ronald Loftis at the Association office.

Respectfully submitted,

Judy Shirley
Crisis Ministry Director

INSTITUTIONAL MINISTRIES REPORT

The Reverend Claude Carter is now in his 21st year as County Jail Chaplain. This is a volunteer service; however, the Associational budget provides $100 monthly to Mr. Carter to help with his expenses.

Worship services and Bible Studies are held at the jail each week. Counselors are trained to work with the inmates and their families. Claude also serves as liaison between the jail personnel and ministers who need to visit inmates. Because of the need for tight security in the law enforcement fuilding Claude's position there is invaluable to those of us who occasionally must visit the jail.

During the past year 9000 Bibles, 7000 tracts and 3000 New Testaments were distributed in the Fayetteville/Cumberland jail. There were 16 job placement requests. Besides meeting these requests 10 families and 4 individuals were given emergency assistance.

Ronald Loftis

1981-82 was a time of transition for Language Missions in New South River Association. We reported last year that a new pastor, Reverend Mario Vargas, arrived on the field in October, 1981 to begin his work as pastor of the Hispanic Mission. Since that time the mission itself has undergone some changes. The Hispanic Mission is located in Spring Lake at Central Baptist Church. A good number of those who are members of the church are military-connected and several have been transferred during the past 12 months. However, others have been moved into the area and God has added to the mission during this time. At the current time approximately 60 and sometimes more attend the Hispanic Mission. One of the members of the Hispanic Mission, Mrs. Elida Gomez, is also Associational G. A. Director.

A pastoral change also took place at the Korean Mission. Again, it was reported last year that Reverend Yoo Bai Kim was resigning as pastor, The Reverend Ho Chong Paek became interim pastor and since that time has become pastor of the Korean Mission. As so often happens when there is a change of pastors, there is also a loss in attendance. It is also true in language churches as it is in our Anglo-Saxon churches. Several members of the Korean Mission began attending some of the other Korean Missions in the area but have since begun to move back to the Korean Baptist Mission meeting at Snyder Memorial Baptist Church. As recent as the middle of September approximately 100 Koreans were in attendance in a morning worship service.

The Japanese ministry continues under the leadership of Dr. Robert Culpepper, however, the location of the meeting has been changed. Village Drive Baptist Church has provided the facilities for our Japanese ministry since January. Village Drive is much more conveniently located for most of our Japanese ladies, and thus makes it easier for them to come and attend there. The Japanese ladies meet one Sunday afternoon per month for about an hour and half or two hours for Bible study and fellowship. Dr. Culpepper leads the Bible study. Periodically, on special occasions, the ladies will prepare food and have a fellowship dinner at the close of the Bible study. Normally, approximately 20 (more or less) attend the monthly Bible study. Bible study material is purchased through the State Convention from the Japanese Convention so that each month each lady receives the equivalent of our Sunday School quarterly which is called Yo No Hikari. It means "light of the world." In addition to Bible study material there is also information about Japan in the booklet.

The fourth ministry is ministry to Vietnamese. At the present time we do not have a Vietnamese pastor. Again, as it was reported in 1981, Reverend An Minh Phan accepted a position in Virginia working with Asian people there. We have been unsuccessful for a year trying to locate a pastor. A few of the Vietnamese attend the LaFayette Baptist Church. Approximately 50 in number have moved from the Fayetteville area to Washington, D. c., others to Maryland, others to Florida and a few have gone to Texas and California; most of them seeking warmer climate more in keeping with the climate they were accustomed to. Plans currently are under way to order materials from a Vietnamese pastor who serves as a minister in a Baptist church in Atlanta. Each week he records the worship service and Bible study on cassette tape. The state convention is purchasing those tapes

and forwarding them to our Association to be used by the Vietnamese people in a weekly evening Bible study in one of the homes.

Each year our Association observes International Day. On September 18 of this year at our International Day, which included a dinner of foods from the different language groups and desserts from some of the ladies of our American churches, we served about 275 people at First Baptist Church, Fayetteville. It was followed by an evening worship service with each language group participating in music and other activities and the sermon delivered by Reverend Mauricio Vargas, State Consultant to Hispanic and Migrant Ministries.

Reverend Dennis Guy, pastor of Long Branch Baptist Church, will be serving as chairman of the Language Committee and Department Director on the CSM Council in language during the year 1983.

LITERACY MISSIONS REPORT

There are currently 10 volunteers active in literacy missions in our Association. Six residents of Samaritan Goodwill Center have been enrolled in the basic reading and writing classes. This learning process has helped these residents to gain sufficient skills to perform their duties in the stores at the Center. Others have used their education to help them become enrolled in courses at Fayetteville Technical Institute.

Most non-English speaking residents have learned enough English to perform their regular functions. The Department of Social Services teaches English classes for the foreign-born and our present involvement is confined to helping these persons grasp an understanding of the classroom material.

One tutor-training workshop was held this year at Sampson Technical Institute. More tutors are needed for this vital ministry.

Our present emphasis is on leading churches to begin a tutoring ministry. We will train the tutors and help you find students.

Elizabeth Loftis
Department Director

Migrant Missions Report

This year we have, through the cooperation of the Associational Churches, been able to minister in numerous migrant camps. We held ministries in 3 Spanish, 3 English and 2 Haitian/English camps. Mario Vargas, with the help of Tim Hall and Faymont Baptist Church, had ministries in 2 Spanish camps for 4 Sunday afternoons this year. This turned out to be an effective ministry, reaching over 100 migrants one Sunday. Tim Hall, youth minister at Magnolia Baptist Church also had a ministry in an English-speaking camp each week with a team from Magnolia Church. Harold Shirley, deacon from Evergreen Baptist Church and myself had a ministry at two camps on Thursday evenings, one English and one Haitian. My wife and I had a ministry with one camp during the latter part of the season that was a mixture of English and Haitian. Newton Tyndall of Harmony Baptist Church ministered in two camps this year.

Without the support of the churches which supplied health kits, financial support and prayer, this ministry would not have been possible.

Mauricio Vargas from the North Carolina Baptist Convention was also a great help in our ministry this year.

The ministry included distribution of clothing, health kits, Bibles, transportation and weekly Bible study in the camps.

There were some people who showed interest in the ministry this year that we were not able to use in our efforts. I would like to thank them and also say that we hope to be able to use them in an effective way in next year's ministry.

Respectfully submitted,

David T. Shirley
Department Director

SAMARITAN GOODWILL CENTER REPORT

The major accomplishment for Samaritan Goodwill Center this year has been the licensing of the Women's Home. Full certification was awarded to the home by the North Carolina Department of Human Resources. Meeting this requirement qualified the Center to receive up to $18,000 from the nickle-a-bottle tax fund. Also, food stamps are received by the home for those residents who otherwise qualify.

Cumberland County United Way has awarded us $3,300 for 1982-83 fiscal year. The license, thus, results in our qualifying for an additional $11,200 earning power for 1982-83 fiscal year. Had we not been licensed we would have been disqualified from all nickle-a-bottle tax funds, or a reduction of $12,000 plus a loss of the $11,200 mentioned above.

Cumberland Community Foundation also awarded us a grant of $2,389 for roof repair at the Women's Home. Second Baptist Church repaired the leaking roof of the men's home on Maloney Avenue. Many church groups have helped us by supplying wood for the men's homes. Several church groups also led our Bible studies, women's organizations and individuals purchased home furnishings, churches designated special financial contributions to the Center and other special gifts were given by persons interested in this ministry.

A new store was opened on July 1, 1982 at 2530 Gillespie Street. Emmanuel McKinnon is the manager of this new store. Earl Mason manages the Maloney Avenue Home, Sarah Brinson the Women's Home and Howard Austin Store No. 2 and Men's Home No. 2. Elsworth McKeithan and Janie Livingston help Mrs. Green at the Maxwell Street store. Mike Grant and Thomas "T.C." Caldwell handle most of the truck driving.

From January through August there was an average daily bed occupancy of 29.75. Our capacity is 32 beds. An average of 90.6 meals were served daily during this same period. The grocery bill was $10,022.31 for 21,960 meals, or an average cost of $.45 per meal.

Because of space limitations it is not possible to list all of those who have helped us this year. We do, however, express our sincere gratitude to all who have had a part in this ministry. You have made it possible for 15 persons to come to know Christ as Savior and Lord during the first eight months of this year, and this is just the beginning! Several of these, and others, have grown in their discipleship.

SEMINARY EXTENSION REPORT

Seminary Extension has become a valuable lay education tool in our Association. As we have continued to stress the importance of a good foundation of informed and well-trained laity in the educational ministries of our churches, more and more lay persons are becoming involved in study through Seminary Extension Centers across our Association.

This year we begin our four-year plan for a diploma in Educational Ministries. The curriculum consists of 16 courses which, when completed will provide a good, solid understanding of biblical knowledge, teaching processes, theology, missions, Christian ethics, worship and Baptist faith. Each course will be repeated once every four years, so that a student may enter at any time in the cycle and complete the curriculum and receive his diploma in four years.

This past spring the first two courses, "How to Understand the Bible" and "Dynamics of Teaching," were offered at three centers across the Association: First Baptist - Hope Mills, Cedar Falls and Baptist Chapel. Again this fall two additional courses, "Systematic Theology" and "Introduction to the New Testament, Part III," will be offered at these same three centers.

As an extension of this ministry four churches have made some of these courses available as a part of the training program of the church. Evergreen, Magnolia, First Baptist in Fayetteville and Highland have taught or are now teaching, "Dynamics of Teaching."

Anyone interested in more information should contact the Associational office or a member of the Seminary Extension Committee. If your church would like to host a center, please make that known to us.

Respectfully submitted,

James E. Laster, Chairman

SENIOR ADULT MINISTRY

This was another year of growth for Senior Adult Ministries. Grace Baptist Church began a Senior Adult Ministry, assisted by our Associational committee. We have learned of other clubs that are in existence but have not selected a representative to our committee. Our purpose for existing is two-fold: to encourage and support churches to begin a senior adult ministry and to provide some coordination of activities among the clubs.

Miss Jenny Dugan worked as our summer student minister again in 1982. Because of the need for a summer minister elsewhere in the state we will not have a student minister in senior adult activities in 1983. Mrs. Judy Shirley has agreed to serve as our CSM department director for Senior Adult Ministries in 1983. She will serve in a capacity similar to that of the student minister. However, she will work for 12 months instead of just 10 weeks and will be a volunteer without pay.

In 1982 we held a three-day retreat for Senior Adults at Caraway. Thirty four people attended. Our theme was "Rolling Along" as we observed old-fashioned days. Some of our retreaters dressed up in 1905-6 clothing. Another retreat is planned for July, 1983.

We also had a Senior Adult Banquet on August 10. Nearly 300 seniors attended this program at First Baptist, Fayetteville. The Apostoloi team was in charge of the program.

We have begun a job bank for and with senior adults. We will use this to suggest names of persons who can assist those needing care.

Respectfully submitted,

Senior Adult Committee

SHAW HEIGHTS MISSION CENTER REPORT

The Shaw Heights Baptist Mission has enjoyed some blessings from the Lord during the last year. We have begun a recovery from the loss of so many members two years ago. We report the acceptance of ten new members since our last meeting.

The Home Mission Board of the Southern Baptist Convention has been kind in assigning a US-2er at Shaw Heights. Miss Theda Ross, the name of our missionary, is to be with the mission for the next two years. We expect that her tenure will add to the strength of our worshiping community.

Financially, we have not done so well. We are almost always in a stressed situation when it comes to finances. We are grateful for the aid we have received, but until we are stronger, it appears we will need some more help with finances.

Yet another matter causes us to be concerned. We have lost two pianists in recent months. They either moved by reason of military transfer or going off to college. We do need someone to be a good sport and volunteer their services at the mission.

In terms of our social ministries, we are maintaining the food and clothing closets. We offer aid to persons who come in off the street or who have been referred to us.

Respectfully submitted,

Daniel P. Stiles, Pastor

STUDENT SUMMER MINISTERS REPORT

Summer is always a busy and rewarding time. One thing that makes it so is our student summer ministers. Again this year we had five students working in our CSM ministries.

Misses Ruth Lincoln and Kelly Davis worked at Shaw Heights for 10 weeks. Ruth is a senior at Union University in Tennessee and Kelly is a junior at East Carolina University. The Associational Development Department of the North Carolina State Convention and Tennessee Baptist Convention provided the basic funds for this ministry.

Miss Jenny Dugan, a junior at UNC-Chapel Hill, served as student minister with Senior Adults. She led the retreat, organized a banquet and developed a job bank. The BSU funded this position.

Mr. Ron Brown conducted a pilot project designed to help juvenile boys. Ron worked individually with eight boys for a ten-week period. Ron is a senior at Appalachian State University. His position was financed by the Associational Development Department, Baptist State Convention.

Finally, Mr. Tim Hall assisted David Shirley in Migrant Missions. Tim also works as Minister of Youth at Magnolia Baptist Church and is a senior at Campbell University. The Language Department of the Baptist State Convention provided the funds for Tim's work.

Housing for these youth ministers was made available by Mr. and Mrs. Sam Bass, Mr. and Mrs. W. B. Simmons, and Mr. and Mrs. Ron Loftis. Immanual Baptist Church gave its parsonage to be used to house Ron Brown and the two males on the Apostoloi team.

Respectfully submitted,

Ronald Loftis

YOUTH CAMP REPORT

One of the major highlights of the year for the youth of the New South River Baptist Association is the week of Youth Camp. This year was no exception. Youth Camp was a week to remember as we departed for the return trip home.

This year we discovered together a new experience as we ventured to a different North Carolina Baptist University campus. Campbell University provided a new phase of our week of fun, fellowship, and worship.

Some 319 "Campers" of various sizes, shapes, and temperaments converged with squeals of glee and wonder upon the otherwise peaceful surroundings of Campbell University. Our campers were exceptionally well-behaved, a tribute to their parents and "home churches."

Our heart-felt thanks are extended to each camp staff member from the various local churches who so graciously shared of themselves, their time and their talent.

A special thanks are in order for each Youth Camp Counselor provided with your local group of campers.

Each volunteer Christian leader was a credit to the Association and to the Lord.

The Spiritual "Mountain top experience" of the week came at the Thursday night worship commitment service as some 22 professions of faith were made public. The lasting impact upon countless others cannot be determined, nor would we try.

Without fear of contradiction the New South River Baptist Association Youth Camp is the best in the state. The hard work of this committee, past committees, and the CSM Director has made this possible. Other associations are using our Youth Camp as a model. We have ample reason to be proud to be a part of Youth Camp 1982.

A final word of thanks to you, the youth who help make Youth Camp a week to remember! Your joy, your excitement, and your enthusiasm are contagious.

Plans are already underway for next year. Begin now to make your plans also.

Respectfully submitted,

Mack Musselwhite, Chairman
Youth Camp

Christian Social Ministries is a title given to many of the mission enterprises in which our churches have been engaged for many years. As in WMU Mission Action, the task of CSM is to minister and witness to persons of special needs or circumstances who are not members of the church or its programs. Ministering is seeing and meeting the physical, social or emotional needs of persons. Witnessing is telling a person who does not know Christ how to become a Christian and giving that person an opportunity to confess Jesus Christ as Lord and Savior.

The Associational CSM Division tries to accomplish these two tasks by developing associational missions and by assisting churches in their attempts to minister and witness. There are several examples of how we have tried to do this. Some of these you will find detailed elsewhere in this book. I will try not to duplicate them here.

In the Youth Ministry this year Ron Brown was able to build relationships with several of the boys. He helped them build self-confidence and shared his faith in Christ with them. Although we report no conversions in his ministry, these boys heard the gospel, saw it lived out in Ron Brown and were given opportunity to respond. Rob Pierce is trying to help us continue this ministry. We are looking for sponsors for this ministry.

We are developing a Single Adult Ministry under the leadership of William Beasley. We hope to lead churches to acknowledge singles, help them feel a part of the church, begin singles groups in the church and organize an associational-wide network of single adult ministries.

So much of the ministry in CSM cannot be documented in the baptism column or in church growth. Many are, however. Eighty-one professions of faith have already been reported through our associational CSM programs from January through August, 1982. Still, this only begins to tell the story.

Several residents of Samaritan Goodwill Center are finding that, with God's help and the assistance of Christians, they are persons of infinite value. It is exciting to see them gain more and more self-confidence.

Listening to migrant workers sing in French, Spanish and English and hearing them testify to their faith in Christ makes the efforts of ministry worthwhile. Like the refugees in our language missions, they have found friends here and no longer feel like strangers sojourning in a foreign land (Lev. 19:33).

Student summer ministers gained invaluable experience and knowledge during the summer. They gave a lot but they may have received even more.

I want to express my personal thanks to the Association for granting me time to work on my Doctor of Ministry degree. I am still a long way from completing this work (maybe 2 years) but just to have the opportunity to study and gain new insights into ministry is strengthening.

And, finally, a personal word. Our son Steve was licensed as a minister this year and is scheduled for ordination on October 10, 1982 at Peacehaven Baptist Church in Winston-Salem. (By the way, that is also my birthday. That is quite a birthday present.) Steve is minister of youth at Peacehaven and is a first-year student at Southeastern Seminary.

Thank you for the volunteer, financial and prayer support you have given us during the year.

Ronald Loftis

REPORT AND RECOMMENDATION OF SPECIAL BUILDING STUDY COMMITTEE

The Associational Executive Committee on July 18, 1982 appointed a study committee to study the needs of the association for a new office facility. This study was to include the former Cumberland County Health Building as well as any other options which might become apparent to the committee.

The following factors have entered into the consideration of the Study Committee:

I. Location:

A. The population center of the association is in the Fayetteville area although the geographical center is 10 miles to the east. Considering this it was felt that any office move should be kept to the Eastern approach to Fayetteville.

B. The Location of an associational office should be highly visable to the general public to serve as a constant reminder of our ministry.

C. In considering the former health building location these facts were considered:

1. Development of the downtown area and revitalization seems to be moving in the direction of Person street and this property. This will make for a more attractive environment and will cause the property to increase in value.

2. The property is adjacent to 3 churches: the Person Street Methodist Church is on the next lot to the west; the C and Adams Street Church of God is on the lots directly back of the former Health Department Building and the Second Baptist Church almost directly in front, across Person Street. This makes it very conducive as to a suitable environment, and will be a declaration concerning our involvement with Urban Ministries.

II. Consideration of the physical plant and facilities of the former Cumberland County Health Building and property located at 515 Person Street.

A. This property is a 2 story facility with approximately 6300 sq. ft. floor space. All exterior walls are constructed of 6" concrete block with brick veneer.

B. Although approximately 40 years old, the building is extremely sound structurally, and with renovations can become an ideal office facility.

C. The property is approximately 1 acre with paved parking to the rear of the building with access from Person Street.

D. The building and property in its present condition is being offered to the New South River Baptist Association at a cost of $72,000.

ATTACHMENTS:

III. Fair Business Considerations:

A. Russell Davenport purchased the former health building property on November 16, 1982 at a cost of $66,050. Mr. Davenport, in his love for our association, and with a common dream with many of our associational membership, offered to allow the association to purchase this property at his cost.

B. We the Study Committee, in dealing with the question of a home for our association office feel that the association should give serious consideration to this property and knowing that Mr. Davenport has had his capital tied up in the property as well as interest on money financed, make the following recommendation out of a sense of fair business consideration for Mr. Davenport.

RECOMMENDATION:

We the Special Office Study Committee recommend that the New South River Baptist Association secure a 90 day option to purchase the former Cumberland County Health Department Property located on Person Street, in Fayetteville, N.C.

The option shall be in the amount of $1,800.00 which will be applied toward the total property cost of $72,000., and that within the 90 day option period that a formal recommendation including contractors bids for renovation will be brought before the association Executive Committee for action.

Note: At least a 2 week notice of this Executive Committee meeting will be given to the churches to allow each individual church to direct Executive Committee members concerning the church's support and vote.

The official membership of this committee is:

Jim Laster, Chairman - Baptist Chapel
Toby Bunce - Magnolia
Jim Hobbs - New Hope
R.E. Davenport - Fayetteville, First
Jim Cooper - Temple
Ed Beddingfield - Mt. Pisgah
Kenneth Wilson - Judson
Paula Clayton - Mintz
Billy Ray West - Beaver Dam
Cindy Autry - Long Branch
Bobby Blackburn - Mary's Chapel

In addition the Staff Directors and Chairman of their Councils are ex-officio members.

HIGHLAND BAPTIST CHURCH

ORGANIZED IN 1904 — 26 CHARTER MEMBERS

The spirit of faith and adventure captivated the hearts and lives of twenty-six (26) people in the early 1900's. Separately and collectively they envisioned a Baptist Church sharing the message of redemption in downtown Hope Mills.

Through prayer and personal sacrifice this little band of committed Christians became the nucleus of the Richfield Baptist Church and the seed of witness was sown.

The church soon became associated with the Robeson Association and expanded its vision to needs at home and abroad. In the early 1950's, the church joined the New South River Association.

From a humble beginning with twenty-six members, the church has grown and today enjoys a membership in excess of five hundred. Through the years hundreds have come and gone as God has used their witness here, then moved them on to other fields of endeavor. As the membership has grown so have the budgets and all other arms of ministry. Now, eighty–two years later, the church has an annual budget in excess of two hundred thousand dollars. It is fully supportive of missions at home and abroad and ministers to the local community through an excellent Day Care Center as well as many other ways and methods of witness and outreach.

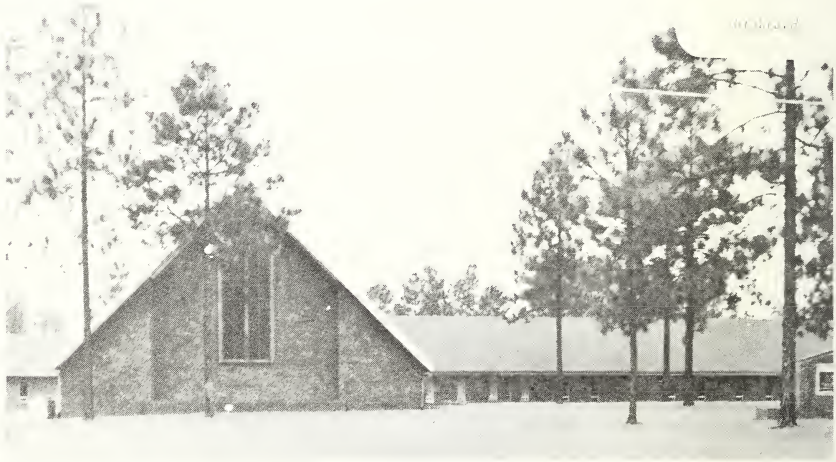
In 1940 the name of the church was changed to Highland Baptist Church and in 1973 the church moved from Main Street, downtown Hope Mills to Legion Road, Hope Mills.

Four men have been sent out into the ministry from the church: Ernest Packer, Chuck Wells, Wesley Insor and Phillip Lloyd.

The Highland Baptist Church is committed to its Baptist heritage; strives to minister at home and around the world, and has an open door to all who seek to know Christ as Lord and the fellowship of other Christians.

The pastor is Dr. W.Eddie McPeters.

Betty Beasley, Secretary.



PARKERSBURG BAPTIST CHURCH

A church fellowship organized in 1910, was meeting at a place called Mt. Pleasant, located about four miles from Parkersburg. In Parkersburg, there was a lumber industry and railroad service with a depot agent. Most of the families moved to the growing area, therefore, a need arose for a closer place of worship.

In 1913, one acre of land was deeded to the church by Mrs. Julia Peterson. In 1914, lumber was purchased from J.D. Johnson and a one-room structure was erected on the present location and called Parkersburg Baptist.

Sunday School rooms and new church furniture were added in 1956. In 1977, the sanctuary was painted, aluminum siding was added to the exterior, a heating and air conditioning unit were installed. A parsonage was built in 1962 at a cost of $31,000. A fellowship hall was built in 1971 at a cost of $16,000.

The greatest year of growth was 1945. E.C. Watson was pastor and there were 31 baptisms. During the 1961 Spring Revival, there were 18 additions.

The WMU was organized in 1952. The group has been active accomplishing many church and community projects. Some of their accomplishments are carpet for the sanctuary, furnishings for the nursery, a silver punch service for the church, shrubbery for the church and parsonage, and draperies for the fellowship hall, and giving a bridal shower for each girl in the community.

Early minutes of the church indicate that the following have been a great asset to the church. W.C. Melvin, C.B. Smith, I.V. Benton, were promoters of business and the ongoing growth of Sunday School and church. In later minutes, Charles R. Reeves, led in building progress and continuing growth. The church has held the majority of people in the community together in a church fellowship.

Rev. Bill Parker is pastor.

Acknowledge - Mrs. A.E. Benton, Church Clerk

MACEDONIA BAPTIST CHURCH

Organized 1877 **13 Charter Members**

Macedonia Baptist Church was organized in 1877 by a Presbytery composed of the Reverends Ruben Fisher, William Hall, and W.S. Melvin. The site on which the church building was erected was deeded to the church as a gift by James Hall. Prior to the erection of the building, services were held in a small frame structure known as Carter's School House. The name Macedonia was suggested by our first pastor, Ruben Fisher. The church was chartered by members from Cedar Creek, Concord and Beaver Dam.

In 1926, an additional tract of land was purchased and a building and remodeling program was completed. The auditorium was moved to join the school house in order to accomodate a "Standard Sunday School ", Macedonia being the first standard school in the association.

In 1954, three additional classrooms were added. In the fall of 1957, a fellowship hall was built on the grounds. The pastorium was erected in 1960, directly in front of the church which was formerly the site of the baptismal pool and dressing house. On 13 October 1968, a groundbreaking service was held for the new educational building. The building cost $7,200 and was dedicated 11 May 1969. Dedication Day was held 15 May 1980 for the new $460,000 Sancturay. In the fall of 1980, the former sanctuary, one of the oldest in the area, was relocated across the road and just below the pastorium for possible future restoration.

In August 1972, a new library was dedicated in memory of M.C. Lee, former Chairman of Deacons. On Sunday, 13 November 1977 the church celebrated their 100th Birthday.

Rev. Stiles Ellyson, Jr. has been pastor since July 1981. Pastor and members of the church have a vision of the church growing in the grace and knowledge of our Lord Jesus Christ, and the winning of souls to Christ.

Thanks to Mrs. Pauline Mercer, church clerk, she is a former Association WMU Director, and has been most helpful in compiling the church history.

HOPE MILLS FIRST BAPTIST CHURCH

The First Baptist Church of Hope Mills was organized in 1892 under the leadership of the Reverend Cummings West. The meeting place was the second floor of what was commonly known as the Company Store. The name was later changed to the Community Building and it is still standing today. The first two converts after the church was organized were Mrs. Mary Barfield Cameron and her sister, Mrs. Fannie Barfield Black.

The first church building was a small, one-room, frame structure which was destroyed by fire when lightning struck the steeple on a Saturday afternoon in 1929. During the time a new building was being constructed, the Cotton Methodist Church extended an invitation to the Baptist congregation to use their facilities. Services were held on Sunday afternoons until the congregation moved into their new brick sanctuary. In 1958, a two-story educational wing with eleven rooms and a baptistry was added. In 1970 a fellowship building was erected at the rear of the church and a couples class was begun. In 1977 a new and larger sanctuary was constructed beside the old one and in the fall of 1977 it was dedicated. Present seating capacity is about 250.

Some of the pastors over the years were: the Reverends Tom Baker, Paul Britt, Mr. Hildreth, Eugene Olive, Mr. Clark, Charlie Hester (served for 30 consecutive years), Colon Myrick, David McGougan, Fred Hall, and at present, Jerry W. Parsons. In April of 1969, during the ministry of Reverend Hall, the church entered a full-time ministerial program.

On September 7, 1924 the First Baptist Church voted to become a part of the Robeson Baptist Association. It remained so until October, 1955 when the church joined the New South River Baptist Association of which it is still a part.

New South River Baptist Association
P.O. Box 298
Fayetteville, North Carolina 28302

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the year ended December 31, 1982.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts

Schedule "A-1" - Statement of Recorded Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparisons

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the Year Ending December 31, 1982. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such tests of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding period.

Respectfully submitted,

Julian C. Odom

SPECIAL OFFICE FACILITIES COMMITTEE REPORT

We recommend that the association purchase the Health Department Building (on Person Street) from Russell Davenport at the exact purchase price plus other expenses on the building since he purchased it and, that;

The total renovating cost of said building does not exceed $150,000 and that;

The finance committee design a financial package within our financial means to expedite the above recommendation. (This financial package to be presented at the Executive Committee at the same time the recommendation to purchase is presented.)

*(This report on recommendation has the total endorsement of the Associational Council and Finance Committee, making it a joint recommendation of these three groups of associational leaders.)

The Associational Council and the Finance Committee recommends that a committee of three people be appointed by the moderator to supervise the renovation by a selected contractor, working on a cost plus basis.

United Carolina Bank

Has verbally commited to offer a loan for purchase and refurbishment of Russell E. Davenport's building on Person Street (old Health Department Building) of up to one hundred seventy-five thousand dollars ($175,000.00.)

1. It would be understood that fifty thousand dollars ($50,000.00) down payment on New South River Association (Walsone Property) would be applied to the purchase price.

Purchase funds needed in excess of fifty thousand dollars ($50,000.00) could be drawn from United Carolina Bank (estimated twenty-five thousand dollars ($25,000.00), or less.

2. Funds for renovation up to one hundred fifty thousand dollars ($150,000.00) would be loaned by United Carolina Bank to be drawn as needed as work progressed.

3. United Carolina Bank suggests that repayment be scheduled over a three year period to coincide with payments received from sale of Walstone Property.

That interest on loan is to be paid each quarter on schedule agreed upon.

4. That at the end of three years any unpaid balance could be financed as monthly payments in line with Association's ability to pay, not to exceed twelve years.

5. United Carolina Bank recommends that this package idea be submitted to other banks and lending agencies for bids on terms, conditions and interest rates for possible savings to membership on New South River Association.

BACKGROUND INFORMATION
IN OFFICE FACILITIES CONSIDERATION

For several months, in fact almost a year and a half, there has been a concern and an interest in the possibility of the association having its own office facilities. High visibility, ease of accessibility to all our association and more effective use of appropriate and adequate space have been major factors in consideration of a new location for the associational office. Available lots have been suggested to your committee as well as facilities in different areas.

Some of the lots considered were: A lot on Person Street, space just back of the Pepsi Cola plant, a lot near Temple Church and a suggested area down Cedar Creek Road. The prices on these locations ranged $45,000 up and were determined to be too expensive for the size of the lot, inappropriate in location or encumbered with power line easements.

Facilities considered were: the former Barbecue Lodge, ($225,000 with extensive renovations necessary before it could be utilized effectively. The building, formerly used by the Highland Lumber Company near Stedman, was considered but being several miles from the population center of the association it was felt this would not be very acceptable for adequate and appropriate office facilities of the association.

The former Health Department building on Person Street has also been among the number of possibilities being considered by your committee. As we continued to narrow "the field" concerning the location, the accessibility to all the association, the usability of the facilities, the amount of space included, as well as the cost, it seemed more and more clear to your committee that the former Health Department Building would become a location of major interest and concern.

The 6300 square feet of floor space is certainly much more than we have been accustomed to, but certainly not an excessive amount for the work load the associational staff carries through the activities and programs our people are undergirding and supporting and there is so much more we need to be doing!

The chairman of your special facilities committee has given untold hours of time in leading us through questions, uncertainties, ideas, concerns and possibilities. But the amount of time he has given to drafting plans for possible renovations of the Health Department Building has been of even greater value for the committee and the association. He has drawn and redrawn; he has changed those drawings and then changed them some more. To him we owe a deep debt of gratitude.

As an out growth of the drafting of the plans, six copies were shared with different contractors. Some indicated interest, one through an official bid while others (some of our Baptist Laymen) mentioned they would prefer to do the work on a cost plus basis--they indicated this could be cheaper for the association as well.

It was out of the response of the men as well as others who know something of contract work, that we arrived at the figures included in the recommendation that we purchase the former Health Department Building.

TABERNACLE BAPTIST CHURCH

In 1896, sixteen people from the community, with last names as McDougald and Townsend, realized the need for a Baptist church in their community. A rough tabernacle with rustic seats and a sawdust floor was erected near Carmichael's Mill (believed to be near the Cumberland County line). The church was called Pine Grove until 1902. At that time, the church site was moved to the Rockfish Community. The name was changed to Tabernacle, because the church building was referred to as a rough tabernacle. A wooden building was erected on the present site in 1901. The Reverends J.T. Townsend and M.A. Moore assisted in the organization. Rev. Moore was the moderator and presumed to be the first pastor.

There are many interesting stories about the church. When Rev. Carl Strickland was pastor (1964 - 1981), he encouraged the people to use their talents to build the church buildings, therefore keeping the expense at a minimum. The present facilities, a $36,000 Fellowship Hall was built and dedicated, debt-free in 1976. When completed, the insurance company approved $80,000 protection for it. A $40,000 pastorium was completed in 1981. In the year of 1983, the music program has advanced from 1 - 3 choirs, the VBS attendance was 162, and an activity bus has been purchased. A groundbreaking service was held 26 June 1983 for a larger sanctuary.

Tabernacle has not only been an active community church but also active in missions throughout the world. Tabernacle is the mother church of Pittman Grove. There was no dissension, the group saw a need for a Baptist Church in their area. The church has tried to keep beer and wine from being sold in the community. Needy people in the community have been helped by the church. In 1982, the church gave 15% of its offering to home and foreign missions. Three ministers have been licensed and ordained by the church.

Rev. Archie Barringer has been pastor since June 1982.

PITTMAN GROVE BAPTIST CHURCH

Hoke County

Organized 9 June, 1936

In 1936, a group with a great deal of faith and determination left Tabernacle to start a new Baptist Church. The residents in that area did not attend church, therefore, a need became a dream and then a reality. Rev. George McKeithan, Sr., the first called pastor, met with the Neil McKeithan family, George Pittman, Mrs. Hattie Pittman Sessoms, and Moses Pittman, in the home of John Cheek. Moses Pittman gave ½ acre of land in a grove of trees at the Pittman Family Cemetery, therefore the name Pittman Grove. The donation of land brought the need to raise money for a building. Mrs. Neil McKeithan, better known as "Miss Sally", organized family entertainment to raise money. All proceeds from these gatherings were used to purchase building materials. Timber and labor were donated by other church members. A small church sanctuary was dedicated 30 June 1937.

In 1960, Rev.Stutts led the church in the construction of an educational unit of six classrooms, plans were made for the addition of an auditorium at a later date. In January 1966, the church approved plans to add a $6,000 sanctuary onto the classrooms. The original church building was sold to another congregation in the community to be used for a church. In 1971, the church again approved a building and remodeling program.

In 1970's, the church was one of the smaller churches in the association, they have made great progress. Two of their members have become pastors, George D. MdKeithan Jr. and Willard Sessoms. The members are active in community missions, such as helping when homes burn and poundings in case of financial needs. In the last 10 years, more help has been given the youth of the community. The greatest year of growth was 1976 with 21 additions (William Beasley, pastor). Rev. Musselwhite, pastor, has led in future plans for growth by the purchase of 10 acres of land adjacent to the church.

Rev. E.C. Taylor served two different tenures for over 20 years.

Acknowledge -- Mrs. Mary Ellen McKeithan

DIRECTOR OF MISSIONS REPORT

This past year has been a pacesetter in many ways. So much has happened to move us to higher levels of ministry and service. In the fall session last year you approved a budget which included provisions for a Director of Church Development. In early December you called Rev. Lamar Eiland to fill that position. His first year in the position has been a frustrating one, to say the least. He and his family have had to make many difficult adjustments. Frustrations and adjustments are rather normal in changing job responsibilities and positions but coming into Associational Missions work compounds the problems. It's just different than being in the pastorate.

Some of the frustrations of getting set up in new work has passed, I'm sure, but he, as well as each of us, need your prayers during the coming months that all of our work will blend together for His Glory and that this coming year many more persons will be won to the Lord and many of our people will grow responsibly into greater maturity.

One of the greatest needs we have in our association is the growth in trust and fellowship among our ministers and people of the different churches.

We are an association of many and varied types of churches -- size, age, backgrounds, culture. Each and every one is totally different and yet there is so much similarity among our churches. Certainly, the similarities are locked in when it comes to who we are, who we belong to, and what we are about. It is out of these similarities that our togetherness has such significance with the promises of blessings and hope for the present and the future.

It sure seems that, with the similarities of who we are, who we belong to and what we are about, fellowship among us, genuine caring for one another, support and love could be readily recognized as supporting evidence of the lip service we give so easily.

Many things happened during the year worth sharing with you but perhaps the one experience that ties in with this idea of the need of fellowship and trust growth came as a result of the Youth Evangelism Team.

Some of our churches really worked at "doing things together" with their youth and their leadership during the summer, as a result some of the youth and leaders have planned some activities together since then. I heard someone say recently, while in a neighboring church facility (in fact, in the adjoining church field), "you know, I've never been in this church before". It's our prayer as we work toward this coming years work that our Christian love, fellowship, caring for and supporting one another as persons and churches will grow greatly in the year 1984. Because of His love and forgiveness, may it be so!

Sincerely,

Charles A. Stevens

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES REPORT

Since our last report to you in October, 1982, we have had some new and exciting things to report. If you read the other reports you already know about some of them. A large tract of land was given to Shaw Heights by Snyder Memorial Church. We hope to construct a new building there in 1984. Another Samaritan Goodwill Center residence was licensed this year. That is a major undertaking. More churches than ever have become a part of our Migrant Ministries.

We have also continued some very important ministries in our division. We had one of our most successful cooperative ministries revivals this year. Our Seminary Extension (Adult Continuing Education) Centers are now in the second year of a four-year curriculum. The senior adults remain active as they plan for the Senior Adult Convention.

We had four student summer ministers working in the CSM Division this year. You read about two of them in the Shaw Heights report, one in the Youth and Family Services report and one in the Migrant Mission report. These young people provide an invaluable service for us each year.

Through our crisis ministry we have helped 149 plus families with food, clothing, furniture, housing and other emergency needs. The total value of assistance during this period was $5,472.

One ministry we had hoped to start this year is Single Adult Ministry. We have not been able to organize yet, but we do have a person who is committed to single adult ministries; so we have positive feelings about 1984 for singles.

Another ministry we have interest in, which we have found a real need for, is a ministry to the mentally handicapped. We have a prospective leader but we are open to volunteers, also. Is your church ministering to these special people?

Finally, a few personal words. A second grandson was born into our family this year. Benjamin Laban Loftis was born to Michael and Ann Loftis on July 18, 1983. We are very pleased and proud of this big event.

Also, I have completed the classroom work for my Doctor of Ministry degree. I am now engaged in the project in ministry. I am very grateful to the Association for granting me this study time.

Ronald W. Loftis

COOPERATIVE MINISTRIES REPORT

The purpose of the Cooperative Ministries Committee is to engage in fraternal relationships with the Union and Burnt Swamp Baptist Associations, in order to celebrate our brotherhood and sisterhood in Christ, to promote cooperation and understanding between our races, and to acknowledge our common participation in the mission of our Lord. This year the committee's efforts, as in the past, have concentrated on relationships with the Union Association. Specifically, we have been involved in two cooperative events:

On Sunday, February 6, the men of the Union and New South River Associations joined in a Baptist World Alliance Fellowship Breakfast at Horne's Four Flames Restaurant. Elihue Sinclair, president of the Union Association's Laymen's League, presided. John McQueen of First Church, Moore Street led the singing, and pastor Frank Page and minister of music Edgar Lineberger of LaFayette Church provided special music. Coach Ike Walker of E. E. Smith High School brought the message on the relationship of faith and practice in the public arena. About fifty people attended, with one-third coming from our Association.

In addition, your Cooperative Ministries Committee and Baptist Men, along with the Laymen's League of the Union Association, jointly sponsored the annual Laymen's Semi-Revival June 5-9. Services were held at Faymont Church and First Church, Moore Street. Participating from our Association were Neil Yarborough, Association Baptist Men president and layman at Snyder Memorial Church, presiding officer; Earl Hart, a layman at Highland Church, Earl Butler, a layman at Faymont Church, all Cooperative Ministries Committee members who gave devotions; Gene Tart, a layman at Snyder Memorial Church, Gary Warner, Association Brotherhood Mission Action leader and a layman at Faymont Church, and Alberta Green, Samaritan Goodwill Center director and a layperson at Cool Spring Mission, who shared witness testimonies; Mike Mozingo, minister of music at Faymont Church, the choirs of LaFayette and Stedman churches; Frank Page, pastor of LaFayette Church, and Robert Phipps, Association Brotherhood director and pastor at Stedman Church, who brought messages; and Kenneth Wilson, Association moderator and pastor at Judson Church.

The revival was preceded by a prayer breakfast at Horne's Four Flames Restaurant on Saturday, June 4, with Glen Holt, Cooperative Ministries Committee member and pastor of First Church, Anderson Street, bringing the message on the importance of prayer. Attendance at the revival was the largest in several years, with our Association showing significant improvement. The music and the messages were a blessing to all who attended, and four persons made professions of faith, a first for this type of meeting. Our committee is grateful to the program participants from our Association, and to all who supported our efforts with their attendance.

At the Spring Semi-Annual Session of the Association held at Macedonia Church on May 19, Cooperative Ministries Committee chairman Ed Beddingfield gave an extended report on our committee's work. He reminded messengers of our Association's twenty-year history of efforts to overcome racial barriers, to repair broken relationships, and to build bridges of trust, and he challenged messengers not to neglect our Christian commitment to

the ministry of brotherhood and reconciliation. As stated by Neil Yonce, chairman of the Human Relations Committee as it was called in 1973: "Results in this area are difficult to measure by standard statistical procedures; but, when measured by Biblical criteria, the quality of right relationships proves to be at the very center of the Gospel. This, then, shall continue to be our goal."

Such a goal is as important today as it ever was. We thank God for the churches and the individuals who have supported our ministry this year, and we ask for your continued prayers and support as we look forward to the future.

Respectfully submitted,

Ed Beddingfield, Chairman
Cooperative Ministries Committee

INTERFAITH WITNESS

The Interfaith Witness department has participated in a Jewish-Christian dialogue this year. We had hoped to have opened opportunities to speak on a fraternal basis to other Christian groups.

Next year promises to offer better prospects. The Baptist State Convention and the Catholic diocese have planned a discussion next winter at First Baptist Church, Fayetteville. Further, the State Convention department of Interfaith Witness has scheduled a conference on Interfaith Witnessing at Camp Caraway.

Respectfully,

Daniel P. Stiles, Chairman

NEW SOUTH RIVER BAPTIST ASSOCIATION

I wish to thank you for your support in our program for the past year!

The prayers have been answered: For the bibles you have given which have enabled us to continue our Bible School (we have over 700 enrolled in this program), for our Worship Services and Sunday School classes, and for items that might be given to the inmate as they are needed to support the inmate.

Thank you again and God bless and keep you all!

Chaplain Claude A. Carter

The above report was submitted by Chaplain Claude Carter in September, 1983. Claude and his volunteers are doing an outstanding job on behalf of our Association. Because Claude has established a credible ministry he is recognized statewide as a pioneer in jail ministries. His position at the Law Enforcement Center provides better access to the inmates than other institutions can offer.

LANGUAGE MISSIONS REPORT

The Language Missions within our association play an important role in helping us to be well-rounded within the area of ministries. These missions provide fellowship and a feeling of belonging to many people through their services.

The Hispanic Mission, located in Spring Lake, has shown growth in all areas of ministry. Reverend Mario Vargas has done a wonderful job of leading this mission to reach many goals set by the church. Reverend Vargas has accepted the call to a Hispanic Mission in South Carolina. We regret his leaving our association, but wish him well in his new work. We also pray that our Hispanic Mission will continue to grow as their search begins for a new pastor.

Reverend Ho Chong Paek continues to lead the Korean Mission as they work and worship at Snyder Memorial Baptist Church. Attendance is good and leaders within the church are striving to reach their full potential in service to God. The mission has been successful in reaching many of the goals set within the last year.

Dr. Robert Culpepper continues to lead the Japanese Mission which meets at Village Drive Baptist Church. I feel that a lady by the name of Rose McDonald deserves special attention. Rose is truly a cornerstone within the Japanese Fellowship and we thank her for providing inspiration to those who worship and study within the Japanese Mission.

The Vietnamese leaders have decided not to pursue their search for a pastor. Most of the Vietnamese are attending the worship time at LaFayette Baptist Church and are considering starting a Sunday School class for the adult Vietnamese. This class would serve as a means of outreach to minister to other Vietnamese.

International Day continues to be a strong point in the life of our Language Missions. We are grateful to First Baptist Church for providing us with a place to meet and are also grateful for the time of fellowship and worship with our brothers and sisters of the Language Missions.

Dennis Guy, Chairman
Language Missions Committee

MIGRANT MINISTRIES REPORT

This year's ministry with the migrant farmworker who entered into our association has been one of the best to this date. In the spring we had a meeting with several representatives from different churches in our association and attempted to plan the ministry for the summer months. Due to the wet spring and dry summer months, the extent of the stay of the migrants was cut short and we were not able to accomplish all that we had planned to do. Not all of the churches that wanted to have an active ministry were able to do so but we hope to be able to use them more effectively next year. Cedar Falls, Faymont, Evergreen and Harmony were able to have an active ministry. Eutaw Heights, Calvary, Cedar Creek, Hope Mills, and Magnolia were ready but the camps were empty before they could become involved. Most of the churches provided health kits and several provided clothing for this year's ministry and your help made the ministry possible.

Our summer worker was Jim Everette, a seminary student from Southeastern. He did an excellent job this summer. His work also carried with it credit from Southeastern as a supervised ministry program.

A film was made by the N. C. Baptist State Convention on migrant ministries and we will be a part of this when it is completed later this fall.

Respectfully submitted,

David Shirley, Chairman
Migrant Ministries Committee

YOUTH AND FAMILY SERVICES REPORT

Youth and Family Services had a banner year in the year past. For the second straight summer we were fortunate to have a mature and resourceful college student ministering through our department. David Rockwell, a senior at Campbell University, served in a "Big Brother-type" ministry with youth in the Hope Mills area. These youth were recommended by school officials and responded well to David and his ministry.

The department was the recipient of a gift of equipment from County Mental Health. This equipment was used in their "Ropes Course" program. This department hopes to establish a new course with this equipment and use this facility for ministry in the Association.

These programs continue to be exciting ventures. We hope that the future will see them expand and involve more people in these ministries.

Rob Pierce, Chairman

SAMARITAN GOODWILL CENTER REPORT

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.

Proverbs 3:5,6

We have had a wonderful, busy year, and we would like to thank all of the churches for their many donations and prayers. Through your prayers and offerings many blessings have been bestowed upon us. We are seeking and praying to better ourselves in the oncoming year of 1984.

We have seen quite a number of men and women through our doors. With God's blessings we were able to celebrate our tenth anniversary.

We have participated in many wonderful activities this year. Our men's home on Maloney Avenue became licensed. After the licensing of Maloney Avenue we turned our number two store into a residence for men to accommodate the overflow of men from Maloney Avenue. We are also able to provide space for a married couple's overnight stay. Presently we have two successfully operating stores and three homes--two for men and one for women.

The women's home on Campbell Avenue received a new roof and a new paint job. Several other repairs were able to be made along with a much needed stove for the kitchen. A new furnace, inside painting and repair work were done at Maloney Avenue.

We won 17 souls for Christ. Seven of these souls were won during the Summer Revival. That was one of our greatest blessings of all.

Ministers from the Association attend the men's homes at Cumberland Road and Maloney Avenue for prayer meetings three times a month.

We set up a demonstration display booth for the United Way. We also became members of the United Way.

Two residents attended and completed a course on Literacy Training. As a result, a course is taught four nights a month by one of our residents, and we have approximately fifteen to twenty residents participating.

We have also started carrying the AA message to the prisons at White Lake, McCain and Wagram three times a month.

Through prayers and donations we purchased a station wagon.

On the personal side, five (5) of our residents have over a year's sobriety. Our director, Mrs. Alberta Green celebrated her nineteenth year of sobriety.

We continue to ask for your prayers and donations so that we may continue to serve our Lord and Master Jesus Christ.

Respectfully submitted,

Alberta Green, Director

LITERACY REPORT

You who are reading this will never know the embarrassment of having to ask someone else to read a letter to you. You can understand the doctor's instructions concerning the prescription drug you have been given. Do you know that 30,000 adults in our Association area are not so fortunate? Those of us who are not numbered in the 30,000 can be the miracle workers to open their eyes to the printed word. Need you be reminded that God's word is printed?

In the New South River Association we have a few who are doing their part to combat illiteracy. One of our tutors trained in January has a class of 12 that she teaches regularly. Another tutor has worked diligently for several years with one student. Whether tutoring one or twenty-one, those who are tutors receive a blessing from their labors. Ask them about their students and watch them beamingly tell you of accomplishments. Let them also tell you about the witness to our Lord's love that they share. Sometimes it is hard to determine who received more--the teacher or the student.

Your Association is equipped with materials and personnel to enable you to join the ranks of the miracle workers. Pray now that laborers will come forth "for the fields are white unto harvest."

Lib Loftis

SENIOR ADULT REPORT

We had a good year in our Senior Adult Ministry. Our Associational Committee assisted Temple Baptist Church in starting a Senior Adult Ministry.

We had a Senior Adult Leadership Workshop on February 24, 1983 at Snyder Memorial Baptist Church. The purpose of the workshop was to help our churches to have an effective ministry with Senior Adults. It was led by Ted Williams of our N. C. Baptist State Convention and Baxter Prevatte, Jr.

Our second Senior Adult Retreat was held at Caraway Conference Center in July. We had three days of fun, fellowship and spiritual renewal. Forty-seven people attended. Our theme was "Looking Back." Another retreat is planned for July, 1984.

We will be having our first Senior Adult Convention on October 6, 1983 at Snyder Memorial Baptist Church. We hope this will become an annual event.

Respectfully submitted,

July Shirley
Senior Adult Committee

SEMINARY EXTENSION REPORT

The work of the Seminary Extension committee has been redesignated as Adult Continuing Education Courses. It has been and continues to be the goal of this committee to provide our churches and church people quality instruction to better enable them to be more prepared as teachers and leaders.

The four-year plan for a diploma in Educational Ministries is still being followed. It is our belief that this curriculum will provide a more solid foundation from which we, as Christians, can work.

Our courses are now being taught in two centers, Baptist Chapel and Hope Mills First. We are working with a six-weeks format which allows the student to focus on one course at the time. This is done four times each, with two in the spring and two in the fall.

One of our major concerns has to do with the support of and promotion by each church within the Association. We feel that through casual neglect our churches are missing out on a splendid opportunity to enhance their educational program. We hope there will be more interest shown in the coming months and that we can have more centers open within our churches.

Should you have questions about this ministry, please contact the Associational office or a member of the Seminary Extension Committee.

Respectfully submitted,

Jerry Parsons, Chairman
Seminary Extension

SHAW HEIGHTS MISSION CENTER REPORT

The Shaw Heights report for 1983 is exciting. Good things are happening, including the groundwork for future growth and expansion. Pastor Dan Stiles is rightfully happy to report 13 additions by baptism and 11 additions by letter. Of the new members are a musician, a choir director, and others with leadership qualities.

Two Spots teams, each working a week, lived at the mission this spring: 14 youth from eastern Kentucky and 11 youth from the University of Louisville. These youth canvassed the area, passed out flyers and did other work. Although over 50% of the residents were not at home, 100 good prospects were located . The pastor and Theda Ross are contacting and leading others in contacting these prospects.

Nancy Williams, Wake Forest University and Lisa Loftis, Meredith College, were summer workers at Shaw Heights. They provided daily activities for youth and an average of 22 came daily. A Vacation Bible School was held with an enrollment of 87.

Theda Ross, a U.S. 2er home missionary, has been assigned to Shaw Heights for two years. Theda has done excellent work with day programs of Bible study, fellowship activities, ministry at Glad Haven Rest Home, youth programs in the afternoon, visitation and general support of the pastor and mission work.

Considerable amounts of clothing and food have been distributed by the mission

One of the needs and dreams has been an adequate building and space. That dream should be realized in the next few months. Snyder Memorial Baptist has contributed land on Gregory Street where the mission plans to build their church house. With the sale of land now owned, plus other monies available, we hope to have Fayetteville Technical Institute carpentry class to begin construction very soon.

The members of Shaw Heights are excited. The offerings are up and the people are committed to assume more and more responsibility. Come next October, we look to share an even better report.

Respectfully submitted,

Frank P. Davis, Chairman
Shaw Heights Committee

YOUTH CAMP REPORT

329 campers of all shapes and sizes converged on the Chowan College campus on the first day of August this year. For probably 300 of the campers this was a first-time visit to Chowan, so they weren't sure what to expect. Because Chowan College had never hosted our youth camp Chowan officials weren't sure what to expect either.

By Friday, August 5, Chowan College and New South River Youth Camp were old hat for each other. It was a good week--the best, most spiritual camp ever, some said. Others didn't find it quite so exciting. Too many ants, too much walking, the food was bad--were the comments of some.

Most liked the athletic center with the large swimming pool and volleyball games inside. Bible study was okay said the campers, although most discussion leaders said the study material was excellent. According to the staff and counselors the highlight of youth camp was the evening worship services. The series of messages presented by the chaplain kept the attention of the campers and offered genuine challenges and assurances as they addressed real-life issues.

The success of associational youth camp is attributed to several things and to many people. Nearly eight months of work go into planning youth camp. The committee considers every possibility to arrange the best camp at the best price.

Jim Laster served as camp director again this year. His leadership and coolness under pressure make him an outstanding director. There are always several pastors who attend with their campers. They serve as staff and counselors to help keep things in order. Of course, the music director, nurse, discussion leaders, chief counselor and the campers themselves make the camp what it is.

We didn't get an accurate count of professions of faith but there were at least 20. We have heard several pastors tell of their young people coming forward in church to affirm the commitment made at camp. We aren't sure where we will go to camp next year. The overwhelming choice of this year's campers is Wingate College but we have several factors to consider. We hope you will be a part of camp next year.

CHURCH DEVELOPMENT DIRECTOR'S REPORT

The basic purpose for the Church Development Division is "that the people of our Association might know more fully and clearly God's work and will for their lives, and that through their personal development and growth as Christians, we our Churches and our Association will more effectively, in Christian maturity, reach out in love and care to a lost world to win them in Christ."

We, therefore, in the Church Development Division are responsible for "planning, promoting, teaching, training, guiding and correlating the Christian Education program of our Association, to strengthen and help the educational ministry of the Association and each local Church."

These quotations from the constitution of New South River Baptist Association give us the guidelines under which we have worked this year.

It has been a great "first" year for me personally as Church Development Director. I have learned much about our Association, our Convention and it's programs and work. But, more than that, I have met with, shared with, prayed with, worshipped with, sang with and worked with the GREATEST people in any association anywhere...the membership of the 88 churches and missions of New South River. Thank you for this opportunity and privilege during this first year.

These have been busy months and sometimes I am impatient to see our work progress faster, our programs expand sooner and our churches grow more rapidly. There is so much to do as we organize and pray and work together to win people to Christ through His church.

We are so very grateful to God for what He has allowed to happen already but we are even more excited at what is yet to come. Our potential is unlimited through our Sunday Schools, our Church Training programs, our W.M.U. and Brotherhood and their auxiliaries, our Youth ministry, our Stewardship programs and the Music work of our division.

It is not enough to just plan, promote, teach, lead and carry out conferences, workshops and meetings. We must begin to "do", to "put into action" what we are learning, to put into "practical application" our ideas, thoughts and suggestions and to set our goals and priorities and then faithfully, seriously carry them out.

We haven't even scratched the surface of what God can do through our 88 churches and missions and over 30,000 people for His glory.

"LOOK OUT" indifference, unconcern, unfaithfulness, wrongdoing and sin....when the Power of God falls upon His People through the Holy Spirit, great and mighty things will happen.

These are great days as we work, serve and pray together.

In the Love and Service of Jesus,

E. Lamar Eiland

SUNDAY SCHOOL REPORT

There is a new awareness to the importance of Sunday School in our association as more and more churches are realizing that as the Sunday School goes, so goes the church.

It is our desire and we believe the desire of our churches to involve more people in Bible Study, effective Bible study. It is because of this desire that we were involved in the "Understanding Series", held at Snyder Memorial, for all age groups in the Sunday School.

We also asked for Sunday School directors along with their pastors to come together for a meal in the spring with sharing time afterward. It was then that we learned of the burden and problems many churches are facing in Sunday School.

In August, I led two conferences at Roseboro First Baptist and at Fayetteville Second Baptist on Preparation Week in the churches. We as an association are realizing the value of preparation week in Sunday School as we prepare our teachers and workers for a new church year.

In September because of the diligent work of our Church Development Division there was a regional Sunday School workshop held again in Fayetteville. The theme was "The Church Organized for Evangelism", and was an excellent workshop for all Sunday School workers.

We hope to offer you trained leaders in the association in every age group so that your Sunday School can call and get advice to needs or problems you have in your church. It is our goal to have trained and ready three Assist Teams soon.

I hope that your church will have a very successful "Great Day In The Morning" High Attendance Day on October 30. We are looking for the largest number in the Sunday Schools of the 88 churches and missions in our association that we have ever had.

Pray for us as we continue to slowly rebuild our Associational Sunday School program.

Ralph Hooker
Sunday School Director

NOTE: Since writing this report Rev. Hooker has resigned this position due to pressing needs in his own church.

ELE

"Training" -- one of the greatest needs of our churches and yet one of the most neglected. Every organization, committee and leader of our church needs to be trained in the best and most effective way to carry out their individual place of service.

Yet it seems, even on an associational level--training is difficult to get going. When we get a good, effective leader chosen, trained, equipped and motivated--they move away and some other association gains their knowledge and training.

We lost our Associational Church Training Director this month. John Peverett moved to Rocky Point, North Carolina. We regret his leaving our association, but we appreciate his work while he was with us. Pray for God to guide us to another person who has a heart afire with a burning desire to see God's people trained and equipped for services.

We have much material in our Resource Center that might be of use to you in your church. Our Equipping Centers are available for you to use and are excellent means of training. We have film strips, cassettes, projectors and other equipment that can be loaned out to the churches. These materials and equipment are yours-use it to train your people for the glory of God.

WOMAN'S MISSIONARY UNION REPORT

Membership in Woman's Missionary Union of New South River Association is over 4,000. Thirty-three churches reported an increase in membership this past year while seven churches reported no age level organizations.

Special activities included Leadership Training for church leadership, Baptist Women and Baptist Young Women's prayer retreat, GA day camp with 250 attending and the annual WMU meeting. The annual meeting was held at Village Drive Baptist Church, April 18, 1983. The theme for the session was "Accountability." Carolyn Weatherford, Executive Director of WMU, Southern Baptist Convention brought the message "Our Accountability and Responsibility to God." Rev. Susan Nance Laidlaw, Chaplain Resident, Duke Hospital gave the theme interpretation. Mrs. Harold Walters gave the Call to Prayer and the prayer of Dedication and Commitment was given by Mrs. Robert Strickland. The Acteen Chorus, directed by Beth Hunnicutt, provided special music.

The following officers were elected to serve for the year 1983-84:

WMU Director	Mrs. T. E. Nance	Fayetteville, First
Associate WMU Dir.	Mrs. Sam Bass	Village Drive
Secretary	Mrs. W. W. Toman	Judson
Treasurer	Mrs. Robert Spain	Temple
Baptist Women Dir.	Mrs. L. A. Warren	Mt. Elam
Asst. BW Director	Mrs. R. M. Jackson	Mt. Elam
BYW Director	Mrs. Elwood Williams	Mingo
*Acteen Director	Mrs. Ralph Hooker	Cedar Creek
Girls in Action Dir.	Mrs. Gregory Gomez	Cedar Falls
Mission Friends	Mrs. Ken Marshburn	Village Drive
Mission Action Dir.	Mrs. Tommy West	Cedar Creek

*Upon the resignation of Mrs. Hooker, the Nominating committee enlisted Mrs. Gale Strickland to serve as Acteen Director and Mrs. Tim Hall to serve as Asst. Acteen Director.

Associational officers received leadership training provided by the state WMU workers.

Baptist Women and Baptist Young Women participated in providing health kits for migrants. All WMU members contributed money to the annual state WMU project for Christmas gifts to the women at the Correctional Institution in Raleigh. Three hundred pairs of warm gloves were given and $145.00 to this project.

Forty-nine flags have been made and GA members have presented the flags in three services this past year.

Associational officers have assisted many individual churches upon request in starting new organizations and in training leaders.

The 1984 Annual State WMU meeting will be in Fayetteville.

Mrs. Lathan Freeman, Sec.
Associational WMU Council

The association Brotherhood department had as one major goal this year to help church Brotherhood departments understand what "missions" meant, and then offer suggestions on how to "do" missions. Two main instruments were employed to achieve this goal. First, in conjunction with the association WMU, Brotherhood began a Missions Monthly newsletter in January 1983. The Missions Monthly is mailed to Brotherhood officers in association churches (including Baptist Men and Royal Ambassador officers), informing them that "missions" was doing something for someone not on our church rolls. Yardwork around the church, for example, as good as that is, is not mission work. Activities become missions when we go outside the church family. To aid in understanding what mission activities were, we included suggested mission action projects in many issues of the Missions Monthly. The second way we tried to teach missions and encourage mission action, was to conduct workshops in local churches. The association Brotherhood director, Baptist Men's president, and Royal Ambassador director assisted churches at different times in their mission endeavors. This assistance took the form of complete workshops, explanation of Brotherhood literature (and how to use it), and programs for monthly meetings. The church Brotherhood officers were provided a great deal of information explaining what missions were and specific mission activities they could consider for this local church unit.

Another effort to encourage active Brotherhood participation was a letter to churches without Brotherhood work offering associational assistance in beginning new work. A computer printout from the State Convention Brotherhood department identified churches within the association that had no Brotherhood work reported the previous year. We contacted the pastor of those churches by letter offering assistance to initiate Brotherhood work, but no response was received as a result of the letters.

In an effort to continually update the expertise of our association officers, training was received from the State Brotherhood department by our Brotherhood director, Baptist Men's president, and Royal Ambassador director. In addition to this training, the Brotherhood director and Royal Ambassador director traveled to the Southern Baptist Convention Brotherhood Commission in Memphis, Tennessee, and received training directly from the Brotherhood Commission staff. This training will be redirected in at least two ways: First, it better equips our officers to train church Brotherhood officers, and second, provides greater knowledge to be used in regional training institutes. Both the association Brotherhood director and Royal Ambassador director often lead Brotherhood workshops and regional training institutes in adjoining associations. The training received this year will greatly enhance the training provided to our churches and other associations.

Many association activities were provided for our church officers this past year. Among these were a Brotherhood workshop, Baptist Men's rally, RA basketball, and RA track meet. The track meet was the best we have had recently in terms of participation, and four of our RA boys went on to win ribbons in the State RA track meet. One new

thing we offered the church leadership this year was in informal meeting with association and church Brotherhood officers where practical ideas were shared. We discussed ideas for increasing attendance, suggestions for mission projects, and administrative procedures such as enrollment and attendance reporting. This kind of meeting proved beneficial for our churches and will be continued in the future.

Robert A. Phipps
Brotherhood Director

CHURCH MUSIC COUNCIL REPORT

The Church Music Council of the New South River Baptist Association seeks to find ways to improve the quality of music in every church by assisting the music directors, choirs and instrumentalists in any way we can be of service. This is often done on an individual basis by providing resources and information to fit a particular church need. Our council meets monthly to discuss these needs and how to best meet them.

We have held three training events this year. First, we provided an associational choir for the North Carolina Baptist State Convention in November. Second, we rehearsed a choir of acteens in our association to provide music for the W.M.U. annual conference. Third, we held a workshop for Adult, Youth, Children and Handbell Choir Directors. We had an excellent attendance at this workshop, but many more should have taken advantage of this opportunity to learn from the state approved leaders that were here.

We have also encouraged many different music directors and musical groups to participate in our semi-annual sessions.

We are planning to have a workshop in January for Instrumentalists, both piano and organ and on different levels...beginning, median, and advanced. Watch for this announcement soon.

Also we are working on a catalogue of anthems and cantatas that churches would be willing to share with other church choirs. The cost of music has increased so much and we believe this will be great help to all the participating churches.

Respectfully submitted,
Beth Hunnicutt
Chairman

ASSOCIATION STEWARSHIP REPORT

Congratulations and appreciation to those churches that have given an increase of 100% in church receipts and for support of missions through the Cooperative Program during Bold Missions Phase I 1977-1982. The North Carolina Baptist State Convention is recognizing each of these churches for their achievements.

A special congratulation and a special appreciation is extended to those churches which have doubled their Associational Giving in the last five years.

The Southern Baptist Convention and its agencies are now engaged in a fifteen-year Planned Growth in Giving emphasis that is coordinated with and supportive of the Bold Mission Thrust Plans. More information will be forth-coming.

Stewardship emphasis through the year is essential. Monthly promotional materials are available and additional materials may be ordered. Your Associational Stewardship Chairman will gladly assist you in this area of development.

Do we not encourage our membership to tithe? May God also encourage your individual Stewardship Committee to urge your membership to tithe to the Associational, State, and National levels of missions.

Respectfully Submitted,
Mack Musselwhite

And Jesus came and spake unto them, saying,
All power is given unto me in heaven and in earth.
Go ye therefore and teach all nations,
baptizing them in the name of
the Father, and of the Son, and of the Holy Ghost:
teaching them to observe all things
whatsoever I have commanded you:
and, lo, I am with you always,
even unto the end of the world. Amen.

NEW WORK COMMITTEE REPORT

We met several times this year facing needs in two or three areas.

One major concern of your committee was that of the Cliffdale Road Mission. The Association, through its Executive Committee, purchased property on the Cliffdale Road adjacent to the house and lot transferred to the Association from LaGrange Park Baptist Church for the price of some $50,000. The first payment was due July 1. Anticipated money from the Convention was not available on loan because the fund was depleted. The committee approved a request to the Immanuel Baptist Church for a donation of $10,000 to make the required payment. The church voted instead to loan the $10,000 interest free for five years, $2,000 payment annually. This was done without any commitment or official action on the part of the association.

Other concerns were the needs for new work to be begun in the Linden area north of the Kelly Springfield plant. There is no Baptist work located on Hwy. 401 North between Cedar Falls and Bunn Level, a distance of miles.

It was approved by the committee that we approach Cedar Falls leadership concerning their sponsorship of some work in this needed area. Contact has been made and interest has been indicated. An official letter of request from the committee to the Cedar Falls Church has been mailed. It is the concern of your committee that this request be responded to favorably by the Cedar Falls Church.

Another area of concern is that of Cliffdale West. The possibility of sponsorship has not been finalized, though request for aid will be presented again this year to Raleigh.

The Koinonia Church asked the possibility of receiving aid. The committee responded with stipulations absolutely essential before serious consideration could be given. Some of the stipulations include that of calling a pastor fully committed to Southern Baptist Church polity and practice, a commitment of gifts to the association and through the Cooperative Program to World Missions, an adoption of an appropriate articles of faith, a constitution and by-laws in keeping with our Baptist way of life and an appropriate permanent church lot location with a normal healthy relationship with the neighboring Baptist Churches.

Pray for your New Work Committee and the work yet to be done.

Sincerely,

Jim Hobbs, Chairman

EVANGELISM COMMITTEE REPORT

This summer we had a youth evangelism team that worked for ten weeks in our association. Next summer we are planning to have several teams of local persons to be available to work in groups in our association on a volunteer basis.

If you want a State Youth Evangelism Team in your church for next summer, write Richard Everette, Personal Evangelism, Baptist State Convention, Box 26508, Raleigh, North Carolina 27611. You need to contact him now, between October 1983 and January 1984.

We were host to the State Youth Evangelism Rally this August. Next year we will not have one in Fayetteville. The three conferences will be in Murfreesboro, May 3; Winston-Salem, May 4 and Asheville, May 5.

Respectfully submitted,

Cecil Baughman

ORDINATION EXAMINING COUNCIL REPORT

Your Ordination Examining Council has been rather busy since last fall's Semi-Annual Session.

Seven persons have been examined as a response to the request of churches within our association.

The committee members were so very faithful in their attendance to the meetings. Many of the members drove across the association to attend. I thank these for their faithfulness and their willingness to serve in such a commendable manner. It has been such a blessing to serve as your chairman. Thank you for this privilege of service in His name.

Those examined during the associational year were: Jerry Justice, Cumberland Union; Anthony Allen, Mt. Calvary; Keith Reynolds, Corinth; Jimmy Dees, Tabernacle; Phil Lloyd, Highland; Wilfred Lubin (Hiatian Minister), Spanish Mission; Joe Gerald, Sharon;

Sincerely,

Jack Church

SPECIAL OFFICE FACILITIES COMMITTEE REPORT

We recommend that the association purchase the Health Department Building (on Person Street) from Russell Davenport at the exact purchase price plus other expenses on the building since he purchased it and, that;

The total renovating cost of said building does not exceed $150,000 and that;

The finance committee design a financial package within our financial means to expedite the above recommendation. (This financial package to be presented at the Executive Committee at the same time the recommendation to purchase is presented.)

*(This report on recommendation has the total endorsement of the Associational Council and Finance Committee, making it a joint recommendation of these three groups of associational leaders.)

The Associational Council and the Finance Committee recommends that a committee of three people be appointed by the moderator to supervise the renovation by a selected contractor, working on a cost plus basis.
